Section 2. GENERAL INDEMNIFICATION. The Association shall have the power to indemnify any person who is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative, or investigative, by reason of the fact that he or she is or was a director, officer, employee or agent of the Association, or served at its request by its election as a director or officer of another society, association, or corporation, against expenses (including attorney's fees) judgments, fines and amounts paid in settlement actually and reasonably incurred by that individual in connection with such action, suit or proceeding if that individual acted in good faith and in a manner which was reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action, had no reasonable cause to believe that his or her conduct was unlawful.
