The index page may be placed at the end of the transcript.

One way to index **Voir Dire** (p. 116), followed by resumed Direct (p. 118).

If exhibit IDs are unknown or unclear from the record, use a generic descriptor: "Documents," "Letter," etc.

Some marked exhibits may never be offered for receipt in evidence, or may not be received on the same trial day as the marking. If so, use a **double-dash** in the appropriate column.
