

CRIP EXAM CONTENT OUTLINE

Topic	What I know	Need more information or review	What I don't know
Overall Review of Charge Capture			
Charge Description Master (CDM)			
Importance of Maintaining the CDM			
Options for Maintaining the CDM			
Medicare Addendum B			
Charges for Procedures and Charges for Supplies			
CDM Job Description			
Medical Record Documentation			
Definitive and Non-Definitive Local Coverage Determinations (LCDs) and National Coverage Determinations (NCDs)			
CPT/HCPCS			
Level I CPT Codes			
Level II HCPCS Codes			
Resource Based Relative Value Scale (RBRVS)			
UB-04 11			
Common UB-04 Codes			
Condition Codes			
Occurrence Codes			
Value Codes			
Revenue Codes			
Medicare Severity Diagnosis Related Group (MS-DRG) Payment Window			
Medically Unlikely Edit (MUE)			
Modifiers			
Modifier 25			
Modifier 50			
Modifier 59			
Modifier 73			
Modifier 74			
Modifier 76			
Modifier 77			
Modifier 91			
Advance Beneficiary Notice of Noncoverage (ABN)			
Purpose and Proper Issuance of the Form			
Triggering Events			
Retention of the Form			
Hospital Issued Notice of Noncoverage (HINN)			
Ancillary Services			
Laboratory Services			
Types of Labs			

CRIP EXAM CONTENT OUTLINE

Topic	What I know	Need more information or review	What I don't know
Date of Service (DOS) Lab Policy			
Lab Panels			
Reflex Lab Testing			
Radiology Services			
Mammography			
Screening Mammograms			
Diagnostic Mammograms			
Billing Considerations			
Fluoroscopy			
Nuclear Medicine			
Magnetic Resonance Imaging (MRI)			
With Implanted Pacemaker Not Approved for MRI Environment			
With Implanted Pacemaker Approved for MRI Environment			
Positron Emission Tomography (PET) Scans			
Medical Nutritional Therapy (MNT)			
Definitions and Benefits			
MNT Coverage Guidelines			
Screening Services			
Pap Smear Screening			
Pelvic Examinations			
Prostate Specific Antigen (PSA) Screening			
Colorectal Cancer Screening			
Vaccines			
Pneumococcal (Pneumonia) Vaccine			
Influenza (Flu) Vaccine			
Hepatitis B Vaccine			
Injections and Infusions			
Definitions and Types of Service			
IVP Versus IV Infusion			
Hydration Versus Infusion			
Charging Guidelines			
Documenting Injections and Infusions			
Infusions Started Outside the Hospital			
Pharmacy			
Single-Dose Vials Versus Multi-Dose Vials			
Pharmacy Wastage			
Drug Divisors or Multipliers			
Pharmacy Orders			
Pharmacy Documentation			
Self-Administered Drugs			

CRIP EXAM CONTENT OUTLINE

Topic	What I know	Need more information or review	What I don't know
National Drug Codes (NDCs)			
Dialysis			
Non-Routine Dialysis Treatments (Unscheduled or Emergency Dialysis Treatments)			
Epogen (Erythropoietin Stimulating Agent, or ESA) Administered to ESRD Patients			
Epogen Administered to Non-ESRD Patients			
Situations Resulting in Denials			
Surgical Services and Procedures			
Transplants			
Kidney Transplants			
Standard Acquisition Charges			
Live Donors			
Cadaveric Donors			
Billing Process			
Heart Transplants			
Billing Process			
Liver Transplants			
Billing Process			
Stem Cell Transplants			
Acquisition Charges			
Billing Process — Allogeneic Stem Cell Transplants			
Billing Process — Autologous Stem Cell Transplants			
Bariatric Surgery			
Inpatient-Only (IPO) Procedures			
CA Modifier			
Inpatient Separate Procedures			
Bedside Procedures			
Implants			
Anesthesia			
Conscious Sedation			
Recovery Room			
No Cost Devices			
Reasons for No Cost Devices			
Billing for No Cost Devices			
Capturing No Cost Device Information			
Cardiac Catheterization			
Cardiac Catheterization CPT Codes			
Lower Extremity Revascularization			
Implantable Automatic Defibrillators			

CRIP EXAM CONTENT OUTLINE

Topic	What I know	Need more information or review	What I don't know
Documentation for Cardiac Catheterizations			
Heparin			
Recurring Outpatients and Clinical Services			
Outpatient Rehabilitation			
Repetitive Service Billing Guidelines			
Rehabilitation Treatment Plan			
Initial Certification			
Recertification			
Coding Requirements for Therapy Services			
Calculating Number of Units Based on Time Spent			
Wound Care			
Types of Wound Care Services			
Wound Care Documentation			
E&M Services for Wound Care			
Documentation of Hyperbaric Oxygen (HBO) Services			
Observation Services			
Overview of Observation Services			
Billing for Observation Services			
Types of Observation			
Use of ABNs			
Calculating Observation Hours			
Determining Inpatient Versus Outpatient			
Post-Operative Observation Orders			
Composite APCs for Observation Services			
Condition Code 44			
Radiation Oncology			
Radiation Oncology Definitions			
Treatment Planning			
Dosimetry			
Dosimetry Calculation			
Special Dosimetry			
Isodose Plan			
Ports			
Treatment Devices			
Brachytherapy Services			
E&M Services			
Definitions and General Guidelines			
Emergency Room Services			
E&M Components			
Key E&M Component: History			

CRIP EXAM CONTENT OUTLINE

Topic	What I know	Need more information or review	What I don't know
Key E&M Component: Examination			
Key E&M Component: Medical Decision-Making			
Charges for Emergency Services			
Trauma Activation			
Multiple Emergency Department Visits in the Same Day			
E&M Levels for Obstetrical (OB) Patients			
Casting/Splinting			
Custom Versus Non-Custom Items			
Notes:
