

# THE LATEST

## ACTION ITEM!

**Has your organization entered your data into the ETHOS Database?** AAMS has fully transitioned ETHOS to the University of Pittsburgh to increase transparency, build trust, and leverage the power of an academic partner.

Please add your data to help ETHOS get a complete picture of industry assets to guide advocacy, research and operations efforts. Scan the QR code to earn more and take a look at **ETHOS online**.

## What's Happening in Washington?

Access the most recent issue of the bi-weekly AAMS **Eye on Washington** newsletter for the most recent news coming out of the Nation's Capitol that could impact our industry.

## Recent Industry News

Access the most recent issues and archives of the AAMS member newsletter, **News on the Fly**, for the latest AAMS and industry news.

## Introducing...

AAMS has recently introduced the "40 Under 40: Rising Leaders in Medical Transport" awards program to recognize young professionals making a meaningful and measurable impact across the multiple disciplines of the medical transport industry.
