Corporate Sponsorships

Corporate Sponsorships are year round sponsorships and the benefits are available at https://aasa1.site-ym.com/page/CorpSponsorships.

To register to become a corporate sponsor you must register at https://aasa1.site-ym.com/page/BecomeaSponsor.

Corporate Sponsors and the Annual Conference

Only Platinum and Gold sponsorships include registration to the Annual Conference: 2 registrants for Platinum and 1 registrant for Gold). Sponsors can register for additional attendees but need to do so by registering as non-member for the meeting.

All level sponsors can register to attend but the registration is not included in their sponsorship and they would need to register at the non-member rate.
