

2024 ABPsi International Convention Abstract Proposal Form

[Submission Review Form](#)

Thank you so much for considering being a part of one of the greatest gatherings of people interested in Black Wellness.

Please use this form to submit your presentation information. Please note we will only accept this form.

Download this form, fill it out in its entirety, and include it as an attachment to your submission using the file upload feature below.

We look forward to seeing you in Phoenix.

General Information

1. **Type of Presentation:** (Choose One)

2. **Presentation Credentialing: Would you like your presentation considered for any of the following types of credentialing?** (You may choose more than one)

3. **What is the audience level of your presentation?** (Choose One)

4. **Course Content Area (Check One).**

Program content focuses on the application of psychological assessment and/or intervention methods that have overall consistent and credible empirical support in the contemporary peer-reviewed scientific literature beyond those publications and other types of communications devoted primarily to the promotion of the approach.

Program content focuses on ethical, legal, statutory, or regulatory policies, guidelines, and standards that impact psychological practice, education, or research.

Program content focuses on topics related to psychological practice, education, or research other than the application of psychological assessment and/or intervention methods that are supported by contemporary scholarship grounded in established research procedures.

Presentation Information

Title of Presentation

Presentation Abstract: An abstract of 500 characters or less to be included in the Program Book. Please proofread and pay extra careful attention to typos.

Objectives of Presentation: Presentation learning objectives (minimum of 3, maximum of 6) reflecting what participants should be able to do or understand at the end of the presentation. (E.g. Describe five central tenets of Optimal Theory and Practice, Explain African-centered perspective of the _____ model, Demonstrate effective use of the _____ approach).

Objective One

Objective Two

Objective Three

Objective Four

Objective Five

Objective Six

Instructional Methods: Describe the primary teaching methods used in this course, including an indication of how much each will be used (e.g., didactic, experiential, discussion, etc.).

Please explain the expected outcomes for attendees (limited to one paragraph).

Clear Statements of the Presentation: The program overview should be 1-2 paragraphs providing a summary of the content of your program. It should identify the topics that will be covered, the relevance to clinical practice/research, and why people should want to attend your course.

Please explain how your presentation is connected to the convention theme
(limited to one paragraph).

Run of show: A detailed time outline of how the presentation will be conducted
(e.g., 5 Minutes - Introductions, 15 Minutes - Define terms, 20 Minutes - Showing
of video, 10 Minutes - Video Discussion, etc.).

**Would you like your presentation to be included as a Continuing Education
Presentation?**

Would you consider your presentation to be African-centered or rooted in African/Black Psychology?

If yes, how does your presentation relate to the principles of Black/African-centered psychology, its relevance to those in the African Diaspora, how the presentation promotes the understanding of normal human functioning and aids in the illumination and liberation of the human spirit (ABPsi mission) (limited to two paragraphs).

Synopsis: A detailed synopsis with the title and type of presentation, limited to 9,000 characters. This will be used for the anonymous review. Please Do Not include the presenter's name(s).
