PROJECT TECHNICAL COMMITTEE PARTICIPATION

Participation in project technical committees (PTC) is governed by the following rules for membership, voting and attendance.

- a) Members of the technical board and members of committees under it shall function independently as individuals and not as agents or representatives of organizations with which they are or may be associated or employed unless a committee member designates himself as such agent or representative.
- b) Must have educational or experience credentials that are beneficial to the PTC.
- c) An appointment to a PTC is an individual appointment not a corporate position.
- d) Must attend and actively participate in all PTC meetings and must complete and return all letter ballots.
- e) Failure to attend two consecutive meetings without prior notice and failure to return two consecutive ballots to ABYC headquarters on time will result in dismissal from committee or transfer to committee mailing list.
- f) Are you a member of ABYC? If not, we believe that it would be to your benefit to join so you can be kept abreast of the activities of related committees.

I certify that statements made on this application are correct, and, if appointed, pledge to abide by the By-Laws of the American Boat and Yacht Council.
