Estimated Expenses by Trip:

The projected trip expenses on the next few pages are an estimate of trip costs intended to assist athletes in financial planning.

Hotels, ground transportation, and coaching will be arranged by ACA. Athletes will be responsible for all expenses and fees. Cost of ground transportation will be split between all athletes, and may fluctuate depending on number of passengers per car (costs here are estimated at 3 passengers per car, and may decrease if there are 4 passengers per car). *Final coaching costs will depend on the number of athletes on each trip and will be determined on April 8, after athletes declare their intent to compete.*

Athletes are responsible for booking their own flights.

Payment Procedure:

National Team Staff depend upon prompt team member payments to make arrangements for team accommodation, accreditation, and transportation. In order to meet these obligations, late payments are not permitted. If deposit and final payments are not met by the established deadline, unpaid participants will be removed from the National Team trip. We thank you for your understanding and cooperation during this emergency low-budget period.

Payments may be submitted online via the ACA website, or by check. Payment details will be made available following Team Trials.
