Effective Date: March 14, 2020

Canal Health Declaration/Questionnaire

The following guidance is based upon the most current Centers for Disease Control [CDC] and Prevention and NYS Department of Health recommendations for prevention of the spread of the novel corona virus of 2019 disease [COVID-19]

Employee ID Number:___________________________________________________________________

Date:________________________________________________________________________________

Prior to gaining access to one of the Canal Corporation sites, this questionnaire must be completed in full:

1. Have you traveled to a country for which the CDC has issued a Level 2 or 3 travel designation ([https://wwwnc.cdc.gov/travel/notices](https://wwwnc.cdc.gov/travel/notices)) within the last 14 days? Y / N

2. Have you had contact with any Persons Under Investigation\(^1\) [PUI] for COVID-19 with the last 14 days, or with anyone with known COVID-19? Y / N

3. Do you have any symptoms of a respiratory infection [i.e. cough, sore throat, fever or shortness of breath?] Y / N

If the answer to question 1 or 2 is “Yes”, the individual is not allowed to enter the facility for 14 days.

If the answer to question 3 is “yes” for a fever, the individual will not be allowed into the NYPA facility until the individual has been fever-free for 24 hours.

If the answer to question 3 is “yes” for cough, sore throat, and/or shortness of breath and the individual believes this is due to allergies, the individual is allowed access to the facility.

If the answer to question 3 is “yes” for cough, sore throat, and/or shortness of breath and the conditions are a new illness, the individual is not allowed access to the facility and should consult with their medical professional.

\(^1\) A PUI is a person who has been contacted by the Department of Health
