Health and Safety Guidelines for COVID-19

Practice social distancing. Stay at least 6 feet away from others.

Limit non-essential travel. When traveling to and from work, practice social distancing when possible.

Wear personal protective equipment (PPE) as mandated, and dispose of it properly:
- Gloves
- Eye Protection
- Masks
- Face Shields

Feeling ill? Have a fever? STAY HOME and report your symptoms appropriately.

Wash your hands frequently for at least 20 seconds. Sanitize high-touch surfaces and shared tools.

This guidance has been taken from a variety of sources, including expertise from member firms, federal guidelines (CDC, OSHA), state guidelines (Office of the Governor, Office of the Mayor), as well as from public agencies and key organizations essential to the built environment.
