WINTER CONFERENCE

January 28-30, 2024 | Renaissance Hotel/Capital Center, Albany, NY

The Winter Conference is the premier business event of the ACEC New York educational and networking calendar. Each year, 400 engineering professionals and exhibitors attend this conference. State agencies present exclusive information on capital programs. This conference also features concurrent tracks for CFOs/business managers, as well as up-and-coming engineering professionals (“Emerging Leaders”) and HR professionals. The Infrastructure Policy Networking Event, featuring select legislators and other key personnel, will take place Monday night. Join your fellow professionals in downtown Albany, and share ideas, make connections, and experience new innovations that will help your business grow in the coming year.

SCHOLARSHIP FUND DONATION

The ACEC New York Scholarship Fund awards scholarships to undergraduate engineering students in New York State to promote the consulting engineering profession. In 2024, the program will award at least two scholarships for \$10,000 each, as well as a number of \$2,500, \$3,500 and \$5,000 named scholarships, named for the donating firm or in memory of an individual, or both. Named scholarships reflect contributions of \$2,500 or more and are awarded by the firm at an ACEC New York function. Firms considering a named scholarship are encouraged to participate on a yearly basis. Firms can also contribute less than \$2,500; these funds are combined into general ACEC New York Scholarships and help the Scholarship Fund grow. Scholarships will be awarded in Spring 2024. Larger scholarships may be considered depending on the donations received.

Please note that the ACEC New York Scholarship Fund is a tax-exempt organization and contributions are deductible. Checks for donations should be made out to the ACEC New York Scholarship Fund.

POLITICAL ACTION COMMITTEE

(Federal PAC) Outings and Sponsorships

MULTIPLE DATES & LOCATIONS

PAC contributions are a direct way for council members to get involved in the political process.

ACEC New York supports three Political Action Committees (PACs) at the state, city and national levels, with a common goal: to promote the election of responsible and qualified candidates for public office—regardless of party affiliation—who understand and appreciate the goals, objectives and values of the consulting engineering community.

FEDERAL PAC

For the federal ACEC PAC, each state has a PAC Champion who encourages members to contribute to the federal PAC in order to meet the state’s annual PAC Goal, as defined by ACEC national.

Only individuals can contribute to the Federal PAC. However, the PAC Committee holds many events during the year, such as golf outings and an evening at a Broadway show, which companies can underwrite.

For more information on sponsoring upcoming PAC events, contact **John Evers**, President & CEO, at john@acecny.org or call **(518) 452-8611**.
