

LET US HELP ENGINEER YOUR FUTURE

Each fall, the American Council of Engineering Companies of New York offers scholarship opportunities for third-year students in a four-year program or fourth-year students in a five-year program.

Scholarships are open to students in the following programs: Mechanical Engineering, Electrical Engineering, Structural Engineering, Civil Engineering, Environmental Engineering, Chemical Engineering, Engineering Technology or Surveying.

Visit ACECNY.org for more information and to discover more opportunities to engineer your future.
