

# ACEC *New York*

AMERICAN COUNCIL OF ENGINEERING COMPANIES OF NEW YORK

An abstract background composed of numerous overlapping, parallel black lines of varying lengths and orientations. These lines create a complex, layered geometric pattern that resembles architectural blueprints or technical drawings. The lines are most dense in the center and right side of the page, creating a sense of depth and movement.

# HOW CAN ACEC NEW YORK HELP YOU BECOME A LEADER IN THE BUSINESS OF ENGINEERING?

## ADVOCACY

ACEC New York has developed a substantial presence in New York State, New York City and regional politics via direct lobbying, briefings, white papers, testimony before committees and more. The association is dedicated to issues such as QBS, indemnification, infrastructure investment, and job creation.

## PROMOTING THE PROFESSION

As the voice of the consulting engineering industry, ACEC New York continually promotes the profession to a variety of audiences, including the architecture, engineering and construction community; the media, public and private sector clients; aspiring engineers; and the general public.

## EDUCATION

We know continuing education is important for engineers, so we keep members in the forefront on regulatory issues, emerging trends and business acumen – knowledge that is imperative not only to the success of the industry, but also to the future wellbeing of New York State.

ACEC New York provides:

- Live professional development
- PDH self-study webinars
- ACEC New York Leadership Institute

## ACEC NATIONAL

Membership with ACEC New York also provides membership in ACEC National, based in Washington, D.C. Representing 51 state and regional engineering associations, ACEC brings an additional level of benefits to members.

## MEETINGS & EVENTS

The organization hosts many different meetings and conferences that provide opportunities for membership to share experiences, explore partnering opportunities, and network with industry and political leaders.

Programming includes:

- Statewide conferences
- Regional meetings
- CFO / Business Leader Seminars
- Engineering Excellence Gala
- Meetings with public agency clients

## ACROSS NEW YORK THE STATE

ACEC New York is divided into 8 regions across the state. Each region has their own board of directors and holds their own programs.
