Present Supervisor's Name: _____

Length of time in present position: _____

Length of time in the industry: _____

Job Description:

Educational Background

Bachelor's Degree _____
School

Master's Degree _____
School

Doctorate Degree _____
School

Other Education/Certifications _____

Additional Qualifications (please submit answers in a separate document)

- I. **Professional Service** – Provide a brief description of the nominee’s outstanding achievement to the profession of engineering, other professional organizations (ACEC, NYSSPE, NSPE, NYSAPLS, etc.) and to ACEC New York. ***Please attach a typed description with a maximum of 50 words.***
- II. **Engineering Achievements/Professional Qualifications** – Nominee must demonstrate significant engineering achievement. Significant achievement(s) may have involved solutions that are unique or modifications of existing ideas for planning, designing, or constructing a project resulting in cost savings and client acclaim. Alternatively, it may have encompassed a series of less notable accomplishments, which when taken together, resulted in a significant advancement. Additionally, provide a brief description of an outstanding achievement or project of the nominee. Describe in detail how the applicant has made a significant contribution to his/her firm, an engineering project or has contributed to the consulting engineering profession in general. ***Please attach a typed description with a maximum of 400 words.***
- III. **Civic and Humanitarian Activities** – Describe community activities that exemplify significant contributions of time and energy by the nominee. These activities should be substantial, enduring, and reflect the admiration of his/her peers. ***Please attach a typed description with a maximum of 50 words.***
- Letter of Recommendation:** Provide a brief narrative from firm, client, or colleague about why you think this individual is deserving of this award. This letter will be used in addition to the write-ups above to determine the final candidate. ***Please attach a separate typed letter of recommendation with a maximum of 250 words.***

Nominees will be judged on their service to ACEC New York, the engineering profession, and their local community based on the following weighted grading scale:

1.	Record of Service/Involvement with ACEC/ACEC New York	40%
2.	Record of Engineering Achievements/Professional Qualifications	35%
3.	Record of contributions to civic and humanitarian activities and other professional organizations	25%
Total		100%

Please send final application to natasha@acecnyc.org no later than April 3, 2020.
