

American Council of Engineering Companies of New York

ACEC NEW YORK MEMBERS SERVING ON THE NYC DEPARTMENT OF BUILDINGS ELECTRICAL CODE REVISION COMMITTEES 2018 -

The following ACEC New York members are serving on the NYCDOB technical committees to review the 2014 version of the National Electrical Code (NEC) and draft amendments that adapt the national standards to the special requirements of building and construction in the city of New York. All revisions to the Electrical Code must be approved by the New York City Council and signed into law by the Mayor. ACEC New York wants to thank our members who have volunteered their time and expertise on this important undertaking.
