

**ACEC New York: New Officers and Directors for 2025-26  
Nancy Clark, P.E. Accepts Position as Chair**

**ALBANY, NEW YORK (July 1, 2025)** – The American Council of Engineering Companies of New York (ACEC New York) inducted a new slate of officers and directors at the association’s Annual Meeting on June 5, which took place at the Union League Club in New York City. All officers’ and directors’ terms begin on July 1.

Nancy Clark, P.E., Vice President/Director of Engineering at KC Engineering and Land Surveying, P.C., is now the new Chair. Outgoing Chair Keith Harlock, P.E., Senior Vice President at WSP, is now the National Director of ACEC New York, serving as liaison between ACEC New York and the ACEC National organization in Washington, D.C.

Nancy joined KC Engineering and Land Surveying in 2014. In her role as Vice President and Director of Engineering, Nancy provides leadership and oversees the Design Engineering Group. She has participated on ACEC New York’s Board of Directors since 2018 and contributes to several committees, including Legislative, Membership, Scholarship, and Investment. Nancy has served as an industry leader for decades, ensuring our statewide organization serves as a trusted voice for the business of engineering, and our dedicated members have opportunities to share their knowledge with political and community leaders.

Nancy encourages licensed professionals throughout the Empire State to get more involved to move our industry forward. “Participating in ACEC New York is a great opportunity to work with engineers from varied backgrounds and firm sizes, and it enables us to have a positive impact on our industry, our environment and our future,” she said.
