## **ACEC NEW YORK STATEMENT ON EXECUTIVE BUDGET PROPOSAL**

**ALBANY, NEW YORK (JANUARY 22, 2025)** – “New York’s roads and bridges are essential to moving our state’s economy forward, and we applaud Governor Hochul’s \$800 million commitment to addressing the conditions of this important part of our transportation network,” said **John T. Evers, President and CEO of the American Council of Engineering Companies of New York**. “With 300 member firms representing the leading engineers in New York, we look forward to working with our legislative partners to ensure this funding is included in the final enacted budget so together, we can create a safer, more efficient transportation system for the next generation of New Yorkers.”

### **About ACEC New York:**

ACEC New York is a proactive coalition of nearly 300 firms representing the leading engineering firms in the United States, including every discipline of engineering related to the built environment—civil, structural, mechanical, electrical, environmental, geotechnical—and affiliated companies. With more than 33,000 employees represented by our member firms, our shared goals are to further the business interests of our membership, enhance the quality and safety of the environment we live and work in, and help ensure the vitality of our communities.
