

ACEC NEW YORK WELCOMES MICHAEL BURRIDGE AS NEW NYS DIRECTOR OF GOVERNMENT RELATIONS

ALBANY, NEW YORK (OCTOBER 22, 2024) – The American Council of Engineering Companies of New York (ACEC New York) is pleased to announce the appointment of Michael Burrige as NYS Director of Government Relations. Michael brings a wealth of experience that will further strengthen ACEC New York’s efforts to advocate for the business of engineering and advance legislative priorities that benefit our members across the state.

Michael’s background in government relations includes serving as Director of Government Affairs at The American Institute of Architects New York State for over ten years, and Legislative Director at the New York State Assembly. With his extensive knowledge of the AEC industry, Michael will lead the organization’s advocacy initiatives, ensuring members are represented effectively in critical policy conversations.

"Michael’s expertise in government relations will be a tremendous asset to ACEC New York as we work to strengthen our legislative efforts," said **Keith Harlock, P.E., of WSP USA, Chair of the ACEC New York Board of Directors**. "We are excited to have him on board and look forward to his contributions in advancing our members' priorities."

The scheduled start date for Michael is November 18, 2024.

About ACEC New York:

ACEC New York is a proactive coalition of nearly 300 firms representing the leading engineering firms in the United States, including every discipline of engineering related to the built environment—civil, structural, mechanical, electrical, environmental, geotechnical—and affiliated companies. With more than 33,000 employees represented

by our member firms, our shared goals are to further the business interests of our membership, enhance the quality and safety of the environment we live and work in, and help ensure the vitality of our communities. For more information, visit www.acecny.org.
