Introducing the Launch of the ACNL Mentoring Program

Who do you know who would make a difference as a Mentor?
Who do you know whose future as a nurse leader would benefit from being mentored?
We want to know them!

Because ACNL and the CA Action Coalition are committed to developing nurse leaders, we have joined forces to launch a pilot Mentoring Program.

Who are the Mentees?
Self-identified, high-performing nurses in service or academia who aspire to become nurse leaders

Who are the Mentors?
High-performing nurse leaders in service or academia committed to the future of nursing
