

Senior Notes
Morton P. Fisher, Jr., *Ballard Spahr LLP*, Baltimore, MD

Much of my retirement time is spent on six major projects-namely six grandchildren ranging in age from seventeen to three and acting as the family UBER driver. I also enjoy reading and my book clubs. My summer reading recommendations are

- Walter Isaacson's Benjamin Franklin: An American Life
- Strangers in Their Own Land: Anger and Mourning on the American Right by Arlie Russell Hochschild
- Hillbilly Elegy: A Memoir of a Family and Culture in Crisis by J. D. Vance

My son and his wife bought me a present. A five-year-old King Charles Cavalier. The granddog is darling but like the rest of the family doesn't listen to me. He only listens to my wife Ann. As for retirement, what I miss most are my associations with my ACREL colleagues and the challenges of the office. I hope our plan for Seniors keeping in touch works. Please, please send me your own emails to include in ACREL Senior Notes. I can be reached at Fisher@ballardspahr.com.
