

STEP 1 Learn about our program and its requirements:

Review the ACRO Accreditation Manual to determine requirements.

Consult with us. ACRO personnel are available to provide an overview of the program or answer any questions you may have for us. Email valerie@acro.org or call 206-956-3642, option 2.

IMPORTANT: About two-thirds of our practices receive a provisional accreditation on the first try, and have a few required corrective actions to address. The main thing is to get started, and strive for excellence, not perfection. REMEMBER: We at ACRO are here to help you every step of the way.

STEP 2 Obtain leadership buy in

Identify and reach out to the the decision makers in your organization to make a case for ACRO Accreditation. We've provided a sample memo and presentation as a starting point.

STEP 3 Prepare for Application

Review pricing, term lengths, and optional services.

Assemble committee or task force and create a timeline for accreditation.

Review and prepare documentation, including your Business Associate Agreement (BAA).

STEP 4 Apply!
