3:30 – 4:00pm EST: Career Panel
Attendings from institutions across the country, in both academic and private practice, provide their insight and answer questions for residents currently or soon to be on the job hunt.

Brandon Mancini, MD, MBA
West Michigan Cancer Center

Emma Fields, MD
VCU

Alec Harris, MD
Radiation Oncology Consultants

Dominique Rash, MD
UC San Diego

4:00 – 5:00pm EST: Cases with the Experts
Review interesting clinical cases with notable experts in GU, H+N, Breast, Lung, CNS, GI and GYN cancers. Panelists include Dr. Amar Kishan, Dr. Alice Ho, Dr. Puneeth Iyengar, Dr. Salma Jabbour, Dr. Sushil Beriwal and many more!

Saturday, March 12th, 2022

11:15am – 12:00pm EST: Navigating the First Year in Practice
Learn from our panel about how to navigate the challenges of the resident to attending transition. Topics covered include studying for oral boards, learning about billing and RVUs, applying for grants, work/life balance and challenging aspects of clinic.

Ashlyn Everett, MD
Alliance Cancer Care

Sophia Kamran, MD
Harvard/MGH

Michael Bernstein, MD
Memorial Sloan Kettering

12:00 – 1:00pm EST: Mentorship Lunch
Take this opportunity to meet with your mentor in person over lunch. If you haven’t already signed up for the ACRO mentorship program you can do so here.
