With the highest Medicare Hospice Benefit utilization^o in the country, Arizona is a leader in end-of-life care. The Arizona Hospice & Palliative Care Organization's provider membership comprises a large majority of the licensed hospices in the state. Advertising with AHPCO is one of the most cost-effective ways to reach your target audience, especially when combined with display* advertising or exhibitor opportunities at AHPCO's two annual interdisciplinary conferences.

Event Calendar Listing

The AHPCO website has a calendar of events located at: www.ahpco.org/events Other organizations that are holding events that may be of interest to our members are welcome to purchase an Event Calendar Listing for their event (in some cases there is not a fee to do so). Display* ads for events are also available, please see the Display Advertising Information.

*Display Advertising is only available for AHPCO Members or Arizona Association for Home Care (AAHC).

Additional Benefits: Upcoming events from the Calendar are automatically listed on the home page (www.ahpco.org) as well as published on a regular basis in a digital publication for members. Listing requests are reviewed and approved by the Executive Director. Please note that event dates that coincide with an AHPCO program are typically not approved. In some cases there is a small fee to publicize the event (see below for more information).

Distribution: The website receives an average of 1,200 visits a month (1/3 are returning visitors). The digital publication is sent to approximately 600 emails and the average open rate for this particular publication is 30%.
