Expand your Influence in Silicon Valley’s Architectural Community...

Become a Sustaining Partner and be part of our community!
AIA Silicon Valley serves to advance its members and broader community while enhancing the profession and the built environment.

AIA Silicon Valley provides leadership, education, knowledge, advocacy and a forum for its members and community, through Knowledge Building, Fostering Community, and Advancing the Built Environment.

**KNOWLEDGE BUILDING**
The AIA Silicon Valley is an authoritative source and recognized knowledge leader on the built environment and the practice of architecture.

**FOSTERING COMMUNITY**
Host and lead local networks related to the built environment for the betterment of the broader community, local firms, and AIA Silicon Valley Members

**ADVANCING THE BUILT ENVIRONMENT**
Establish AIA Silicon Valley as the AEC industry’s leading voice on matters concerning the built environment in the Silicon Valley region.

In addition to the engagement opportunities with members and member firms, the Sustaining Partners supports services and initiatives, including over 50 programs and events annually:

**SIGNATURE EVENTS**

**ARCHITECTURAL INTELLIGENCE**
A biennial one-day conference that examines some of the most pressing challenges facing the AEC industry and offers expert knowledge building on how we can elevate our local communities. Taking place on odd years, the conference convenes more than 20 key speakers, an exhibitor fair, and over 250 attendees.

**DESIGN AWARDS**
Design Awards recognizes the distinguished work of architects and allied professionals from Silicon Valley and afar who contribute to the advancement of our local built environment. This biennial program is held on even years, and gathers over 300 attendees.

**OUR GOLF TOURNAMENT**
Our Golf Tournament brings architects and design professionals together with vendors and allied professionals. It’s fun, relaxed, and a great way to meet others in the industry. Over 150 golfers and tournament supporters come out annually to help raise funds in support the chapter’s knowledge building programs.

**HOME TOURS**
Open to the public, these tours celebrate residential homes designed by architects. Supplemented by the panel discussion, *Meet the Architects*. These tours foster community involvement while attracting over 400 attendees.

### OUR MEMBERSHIP

The AIA Silicon Valley has an active membership with over 500 members active in over a dozen committees. These committees fulfill the memberships ability to learn through knowledge sharing, fostering the community and advancement of the built environment.

### WE ARE AN ACTIVE AND ENGAGED CHAPTER

Santa Clara County is one of California’s most active AEC regions. The AIA Silicon Valley maintains an email distribution of over 3000 design professionals.
AIA Silicon Valley Chapter serves to strengthen the professional community, improve the built environment for all, and contribute in meaningful ways to the urgent challenges of climate change, equity, diversity, and inclusion as it extends its 70 year continuum as an important part of Silicon Valley.

The American Institute of Architects, Silicon Valley Chapter (AIASVC) was founded in 1950 and serving the profession and the greater Santa Clara County community for over 70 years. Our Sustaining Partners reach more than 3,000 architects, design professionals, and students, as well as allied organizations each year through their affiliation with our Chapter.

Become a partner of AIA Silicon Valley, attend educational and social events, serve on Chapter committees, receive prominent recognition of your support, and most importantly, create and foster mutually beneficial relationships with AIA members whose firms are located in the Silicon Valley region.
