CODE OF ETHICS

The Association of Independent Manufacturers'/Representatives, Inc., is a trade association of manufacturers' representatives organized to:

- Promote, protect and improve the multiple-line representative function and provide benefits and services to its members.
- Create and foster a spirit of mutual respect and esteem among members and others within the industry and other industries.
- Educate the industry and other industries as to the advantages of doing business through manufacturers' representatives.

In furtherance of these objectives, the Association develops and participates in programs and activities for manufacturers' representatives designed to elevate ethical standards, improve business operations and provide more efficient service to principals, customers and the industry. To implement these goals, the members of AIM/R are expected to:

- Represent only those lines they can effectively market and sell.
 - Maintain a fiscally stable firm
 - Operate a well-managed firm.
- Never degrade, malign or make false representations of a fellow representative.

By checking this box, our company agrees to uphold this Code of Ethics.

Membership Dues Parameters

Membership Dues Cycle

As determined by the membership in October 2014, the annual membership dues cycle runs from January 1st through December 31st each year.

New Member/First-time Members

Any *Rep Agency* that join the association starting August 1st will be afforded prorated dues for the year in which it joins. Currently, annual membership dues for a rep agency are \$520 US (\$43.34 US / month).

For example, if a rep agency joins the association as a first-time member in August, the company will be invoiced for 5 months.

5 times \$43.34 = \$216.70 US total dues

Dues for the year after the initial “join year” will be paid at 100 percent. The annual dues cycle runs from January 1st through December 31st each subsequent year.

Renewing Members / Current Members

All member companies (rep agencies and manufacturers) that renew association dues will pay the total annual dues (100 percent) on an annual basis as established by the association. The annual dues cycle runs from January 1st through December 31st each year.

Reinstated Members

All member companies (rep agencies and manufacturer) that have been previous AIM/R members and terminated membership or chose not to renew membership may re-apply for membership. Re-applying companies will have their annual membership fee prorated from the month of application **and** will be assessed a \$100 US fee. The annual dues cycle runs from January 1st through December 31st each year.
