

Dawn Garcia
Geologist and Hydrogeologist

Achieving work-life balance in your career while still focused on professional development

**UC Davis/Sonoma State University/UC Santa Cruz/SRTM University (India)
AIPG California Student Chapters ZOOM MEETING**

Thursday, November 12, 2020 at 7 PM PST

Friday, November 13, 2020 at 8 AM IST

Dawn looks for the good life personally and professionally. She will be sharing with everyone what it is like to be a geologist and how she found a work-life balance in the midst of the cyclic economy in the earth science industries. You will hear three little sentences that will get you through life and examples of how persistency yields success. This highly interactive student chapter meeting will give you an opportunity to rub shoulders with a very successful professional who shares wisdom from a life time of good experiences.

Ms. Garcia is a hydrogeologist and a licensed professional geologist with over thirty years of experience in environmental permitting and compliance, baseline studies for site characterization, mine life cycle planning and hydrologic projects. Her extensive experiences in mining have taken her to hundreds of mineral exploration projects and mining operations. Ms. Garcia has served as the Geologist Member of the Arizona Board of Technical Registration by appointment of the Governor, she is vice-present on the executive board of the American Institute of Professional Geologists and currently serves as the Arizona Section past president.

Get the word out!! The California Student Section is encouraging other universities and AIPG student sections countrywide as well as all regions of India to participate in this informative and down-to-earth presentation.
