AIPG ILLINOIS / INDIANA SECTION
FALL 2021 MEETING ANNOUNCEMENT

October 7th – 6:00 to 9:00 PM CST

Current plans are to host a combined in-person and Zoom meeting at the Morton Arboretum in Lisle, Illinois. If the in-person meeting is not allowed due to COVID restrictions, the Zoom meeting will still be held.

Guest Speaker: Trent Ford
Illinois State Climatologist
University of Illinois, Urbana-Champaign

“Climate Change in Illinois from a Scientific Perspective”

Abstract: Climate change - present, and future - poses a serious threat to Illinois’ citizens, economy, and environment. We'll discuss climate change in Illinois, its varied and interconnected impacts, and projections of future changes and the roles of mitigation and adaptation.

Meeting details will be confirmed. Second speaker to be Announced.
