Copper Porphyry Deposits Chino Mine  
and the Mogollon Mountains  
Silver City, New Mexico**

Freeport – McMoran has graciously offered to host a tour of their Chino Porphyry mine 15 miles east of Silver City, New Mexico. The Murray Hotel in downtown Silver has a block of rooms set aside for us. Will be an icebreaker on Wednesday evening in the Hotel Ballroom, tour the mine on Thursday and check out Friday morning traveling from Silver City to the Catwalk near Glenwood on US 180 through the Mangus Basin along the West Side of the Mogollon Mountains and the Aldo Leopold Wilderness. The details of the field trip logistics will be distributed soon.
