Welcome to the return of the AIS Community Leaders newsletter!

This newsletter is being developed as a regular way to help keep you informed about events and resources and to share stories of the successes within your community. In this issue, we share three events suited perfectly to your role as a leader of an AIS Community and two resources you may not have known are available.

Please let me know what you would find most helpful to support your community! Is there a particularly interesting person doing good work in your community? Do you have a great idea for a new resource or member service? Do you have a pain point that needs resolution? I would love to learn more. I can be contacted via email at melissa@aisnet.org or by phone at +1 (317) 735-4058.

Enjoy this issue of the newsletter and remember we are here to help!

Best wishes,
Melissa Heeke, CAE
AIS Membership Director

An Introduction to AIS Online Communities
November 19, 2019 - 9-9:30am Eastern
Register today! RSVP requested by November 15

Leaders of AIS SIGs, Chapters, and Colleges are invited to learn about the AIS Online Communities platform. This 30-minute session will serve as an introduction to the potential uses for the online platform as well as tips for site administration. Please share any questions you may have about the platform during registration. Register here. Not able to attend? No worries! All registrants will receive a recording of the session for later review.

Community Meet & Greet
All AIS Communities (SIGs, Chapters, Colleges, and SIGs) are invited to participate in this event!

Held during the AIS Member Connect reception, the Community Meet & Greet will introduce your community to AIS members. This event is a great way to promote your community's activities, gain new community members, and help AIS members get involved in our global society. Come prepared...
Two Events in Munich

Community Meet & Greet
Community Leaders Breakfast

RSVP deadline: November 19, 2019

AIS Community Meet & Greet
Community Leaders Breakfast

Follow this link to secure a table by November 19.

Community Leaders Breakfast
Join us for the AIS Community Leaders Breakfast where we will discuss updates for communities and share ideas, challenges, and success. All SIG, Chapter, and College leaders are invited to attend.

Monday, December 16, 2019
7 - 8:30 a.m., Novotel

Follow this link to RSVP by November 19.

Resources for AIS Community Leaders

- **AIS-hosted Officer Elections** - AIS can help you with your annual officer elections! We ask for the information no later than two weeks before the election is to open. Simply share your election information here. You can learn a bit more about the community election options here: https://aisnet.org/page/CommunityElections

- **AIS-hosted Webinars** - AIS can also host your community’s webinars via GoToMeeting! After receiving all of the required information, the AIS office will create the webinar event within the GoTo Meeting software and the webinar moderator will receive a registration link for the event. It is up to the hosting SIG/Chapter to distribute the registration link to interested members in an invitation. Participants will register via the provided link. Each participant will receive a confirmation link to the webinar. Contact Melissa Heeke, AIS Membership Director at membership@aisnet.org for additional details.

Apply for AIS Distinguished Member Status – Deadline: November 8
Earlier this year, the AIS council introduced a new program to recognize those who have made a significant impact within the association. The new Distinguished Member Designation has two-tiers to honor those who have held continuous membership, have remained involved with the association’s many communities, and have published in the association’s journals. Essentially, we want to recognize those who have allowed AIS to flourish since its inception 25 years ago. Please submit your application prior to November 8 for consideration!

Are you familiar with the 25 for 25 campaign?
2019 marks the 25th anniversary of the Association for Information Systems. Throughout the rest of the year, AIS will celebrate our members, our research, and our service to society through the 25 for 25 Campaign. “The 25 for 25 campaign celebrates our first 25 years and lays the foundation for the next 25 years through activities to advance the field of information systems, both small and large,” said AIS President Alan Dennis. “Since our founding, AIS has been a leader in supporting those in our field. The 25 for 25 Campaign celebrates the strategic vision that our past leaders and members had for the future of IS.” Read more about the initiatives here.

Questions or comments about the newsletter?
Please send us a note! membership@aisnet.org

Please help us keep your leadership roster up to date! Check your officer list by viewing your group page on the AIS website (sign in required). If updates are needed, please submit via the Officer Information form.
