

Renfrew County and District Health Unit

Optimal health for all in Renfrew County and District

Medical Officer of Health and Chief Executive Officer (MOH/CEO)

Renfrew County and District Health Unit delivers public health programs and services in collaboration with other organizations in the health system and in partnership with local, provincial and national organizations. Nestled on the shores of the Ottawa River, the Health Unit's main office is in Pembroke, Ontario with a branch office in Renfrew. Renfrew County and District Health Unit's approximately 70 staff members serve the County of Renfrew, the City of Pembroke, the Township of South Algonquin and most of Algonquin Provincial Park. This beautiful, geographic area is roughly 14,980 square kilometers with a population of over 105,000.

Renfrew County and District Health Unit is seeking a new ***Medical Officer of Health and Chief Executive Officer (MOH/CEO)***. Reporting directly to the Board of Health and leveraging the skills of a strong management team, the MOH/CEO will be responsible for the administration of all Health Unit programs and services while being the primary source of expertise across the full range of public health issues. As the champion and face of public health in the communities served, the MOH/CEO will effectively communicate, partner and collaborate with other health care providers, agencies and the public on all public health matters.

The successful candidate will have a true understanding and passion for both rural and urban public health. The MOH/CEO will have outstanding partnership, collaboration and communication skills combined with a solid business acumen.
