Encore! Encore!

Now in its 17th season, the Women's Council for Hiram College is pleased to announce its *Encore!* lineup for 2012-2013. Many hands have come together to bring our subscribers a season of fun. Always entertaining, this season's fare is among the best and one you won't want to miss. All three programs have been carefully chosen to include some of the region's most talented and oft-requested performers.

In subscribing to the *Encore!* series you will be lending a significant hand in making possible scholarships to extraordinarily talented students at Hiram's Ohio College, one of the nation's most highly regarded liberal arts institutions. \$40.00 of the \$115.00 subscription price is tax deductible.

All three programs take place in the the elegantly redecorated Hilton Garden Inn located on SR82 at the junction of I-480, and are preceded by a gourmet lunch. A cash bar is available. We gather for punch at 11:30. Lunch is served promptly at noon and the performance begins generally at 1:20.

To reserve your place, detach, complete and return the order form included in this brochure. We will seat you with friends or find new friends for you.

Clever Hands

Saturday, October 13, 2012

When was the last time you heard a ventriloquist up close and personal? Right before your very eyes, Cindy Speck who has been perfecting her craft since she was 12 years old, shares stories with her grandstanding characters. Cindy and her friends will entertain, educate and inspire her audiences. Hers is a remarkable talent, bound to make a memorable program.

Talented Hands

Saturday, December 8, 2012

Newly formed in 2011 under the direction of Christine Allison, the Harmony Ringers come to us from Canton, Ohio. Under the umbrella of "A Chorus for a Cause", the proceeds for each concert are donated to a designated "cause". Ms. Allison tells us that handbells were invented in 17th century England where they could be practiced in the warmth of pubs. They were first brought to the U.S. by P.T. Barnum as a circus attraction and later in the vaudeville circuit. Come and hear the glorious sounds of Christmas.

Skilled Hands

Saturday, May 4, 2013

Delighting her audiences all around the state and beyond, Debra Conner comes to portray a fascinating new character, namely Dr. Mary Edwards Walker. Imagine a woman surgeon during the Civil War, enduring the stigma while tending the sick and dying in Ohio. Could this be done in a dress? A campaigner for women's rights, the trousers she wore caused a stir. Dr. Walker was arrested numerous times for her scandalous attire. Come and hear the rest.

Special Program Feature

Can't attend all performances? A flexible ticket option makes it possible for subscribers to use one "ticket" for each of the three performances or – with advance notice – to use the "tickets" in combination for one or two performances. A month or so before each show, subscribers will receive a letter from the college asking if they intend to attend and with whom they wish to sit. Subscribers must respond in the self-addressed envelope provided. Last minute changes are always acceptable.
