His Holiness
Pope John XXIII

"Keeper of the Keys"

1962-1963 . . .

. . . a KEY year . . .

. . . in our chain of memories . . .

. . . the Year of the Second

Vatival Council . . . where Church

Dignitaries from all countries met to find the

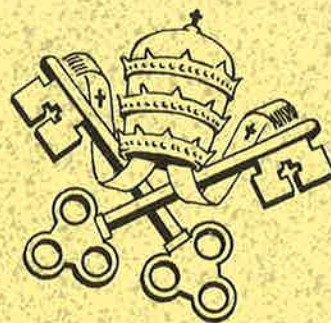

key to some of the world's problems . . .

WE, the Seniors of '63,

lovingly dedicate our book of memories

to Pope John XXIII

and to our loved Bishop Leo F. Dworschak.

FATHER EDWARD ARTH

Superintendent

at Shanley . . .

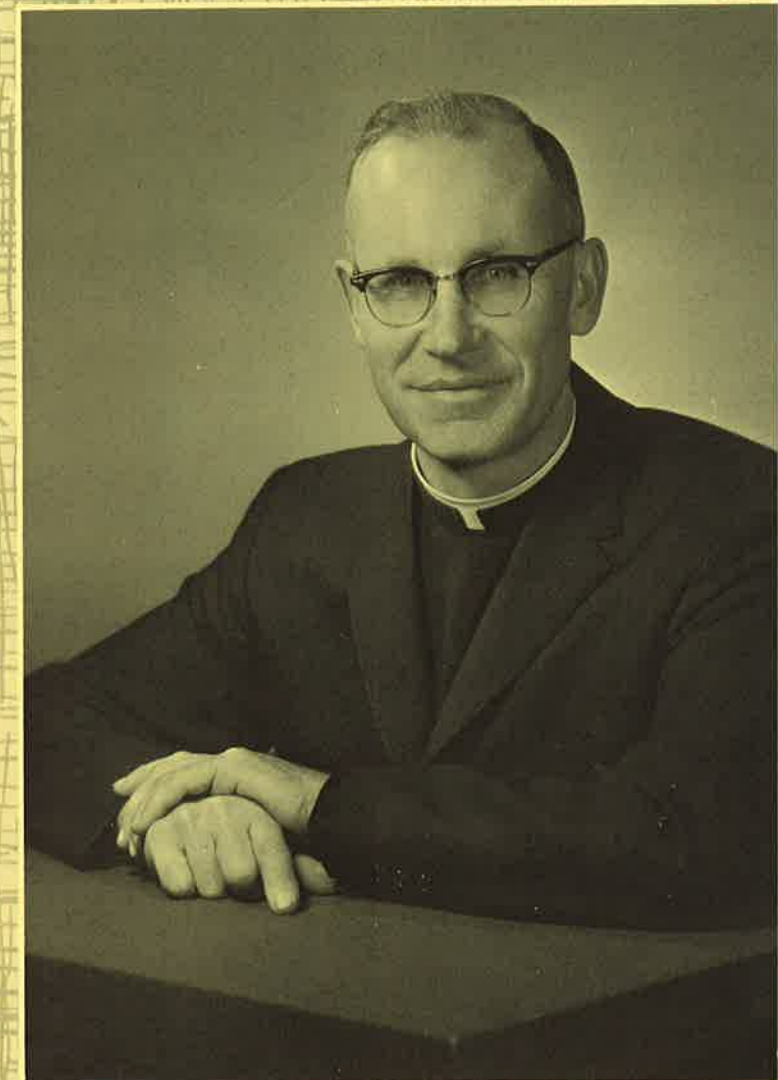

Rector . . .

at Cardinal Muench
Minor Seminary

Teacher . . .

Counselor . . .

Friend . . .

Father Arth is truly the KEY man
around Shanley whether in matters . . .

. . . temporal . . .

or . . .

spiritual . . .

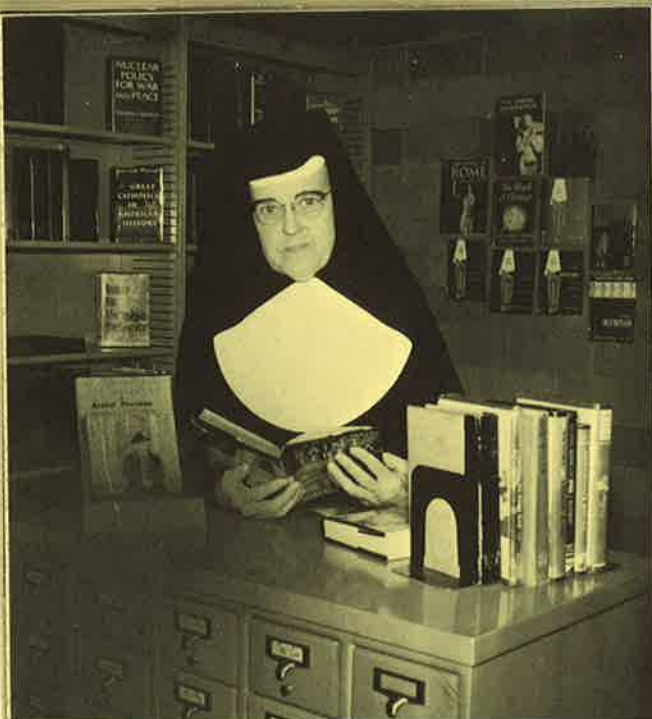

. . . One of Pope John's desires
was fulfilled this year by our own
Bishop, when he opened Cardinal
Muench Minor Seminary, with our
own Father Edward Arth as Rector
. . .

We, Seniors, are grateful, too, to
all who have made it possible for us
to attend Shanley High where we are
taught the KEY to right living . . .
truly, the Key to a happy life and
blessed eternity.

His Excellency Bishop Leo F. Dworschak with
Father Raymond Lessard in Rome, Italy . . .
for Ecumenical Council meetings . . .

TYPING STUDENTS IN THE SPOTLIGHT AT SHANLEY . . .

Mr. Dale Atwood, James Doll, Sister Antonine

Sister Antonine's typing students participated in a Doctoral Typing project conducted by Mr. Dale Atwood, of the Business Department of Minot State Teachers' College. This project is under the direction of Dr. John L. Rowe, of the Business Education Department of the University of North Dakota, Grand Forks. At the end of the first nine weeks' typing and again at the end of eighteen weeks' typing instructions, pictures were taken of the students as they took three-minute and ten-minute timings. A picture was taken at the end of each minute. Slides were made of these pictures and Mr. Atwood is using them to determine "typing spurts" and "fatigue factors" in the typing operations.

Students participating were: Bonnie Anderson, Suzanne Booher, Ronald Conner, Kathy Crary, Michael DeConcini, Donald Doll, James Doll, Renee Duval, Tim Dwyer, Margaret Fettes, Patricia Flannery, Patricia Fortney, Tim Fortune, Delores Fugere, Marilyn Ginther, Donna Gion, Susan Goodwin, Mary Gross, Michael Hagen, Beverly Heinisch, Lynn Huntington, Paul Jorgenson, William Kelly, Tom Kennelly, Jane Krabbenhoft, Mary Kurkowski, Janice Landblom, Cathy Landowski, Mary McDonald, Tom Nagle, Richard Reger, Rayma Reger, Gene Ringuette, William Sauvageau, Kathleen Suda, Michaela Syrup, Richard Vos, Mary Lou Voth, Mary Witeik, Mary Yunker.

Typing: Michael Hagen, William Kelly, Marilyn Ginther. Photographers: John Sansburn, Leo Kieliszewski, Roland Toth. Director: Dale Atwood.

JUNIORS DEVELOP THEIR TALENTS

Tim Fortune and Yvonne Richard enjoy bookkeeping with Miss Kaspari as instructor.

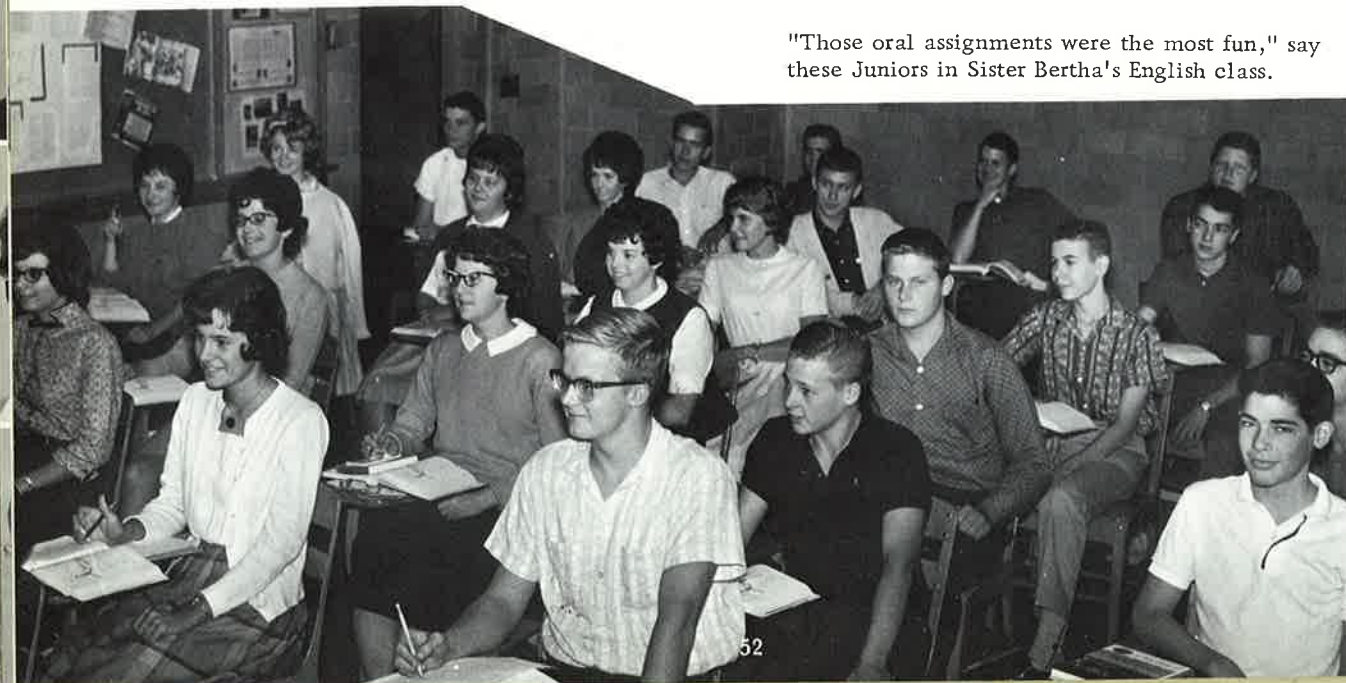

Literature of America interests these Juniors.

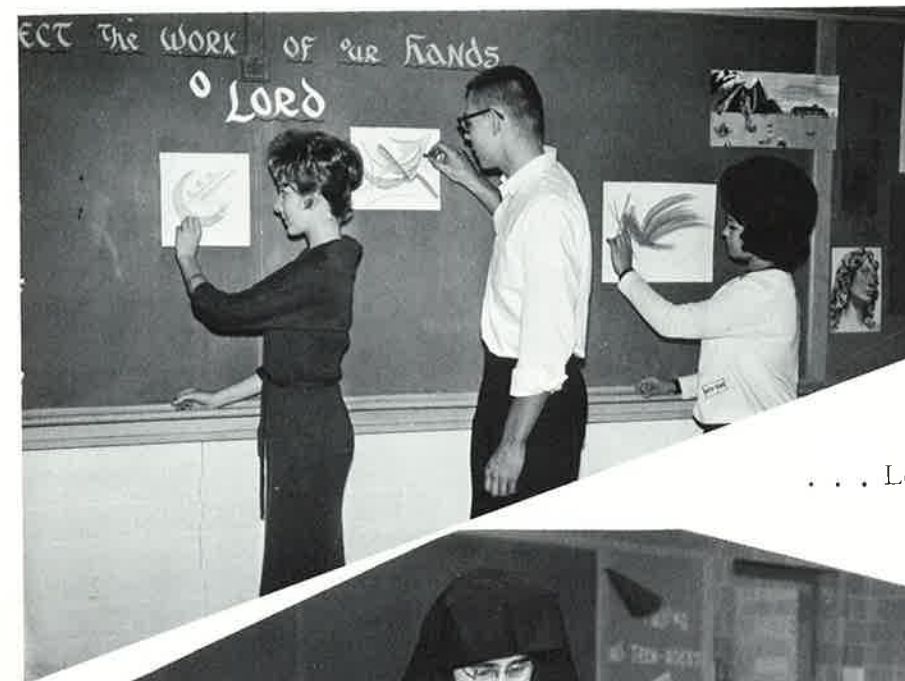

John Fitzgerald, Delbert Halladay, Michael Grinney and Paul Jorgenson like art. This is a study in silhouettes.

"Those oral assignments were the most fun," say these Juniors in Sister Bertha's English class.

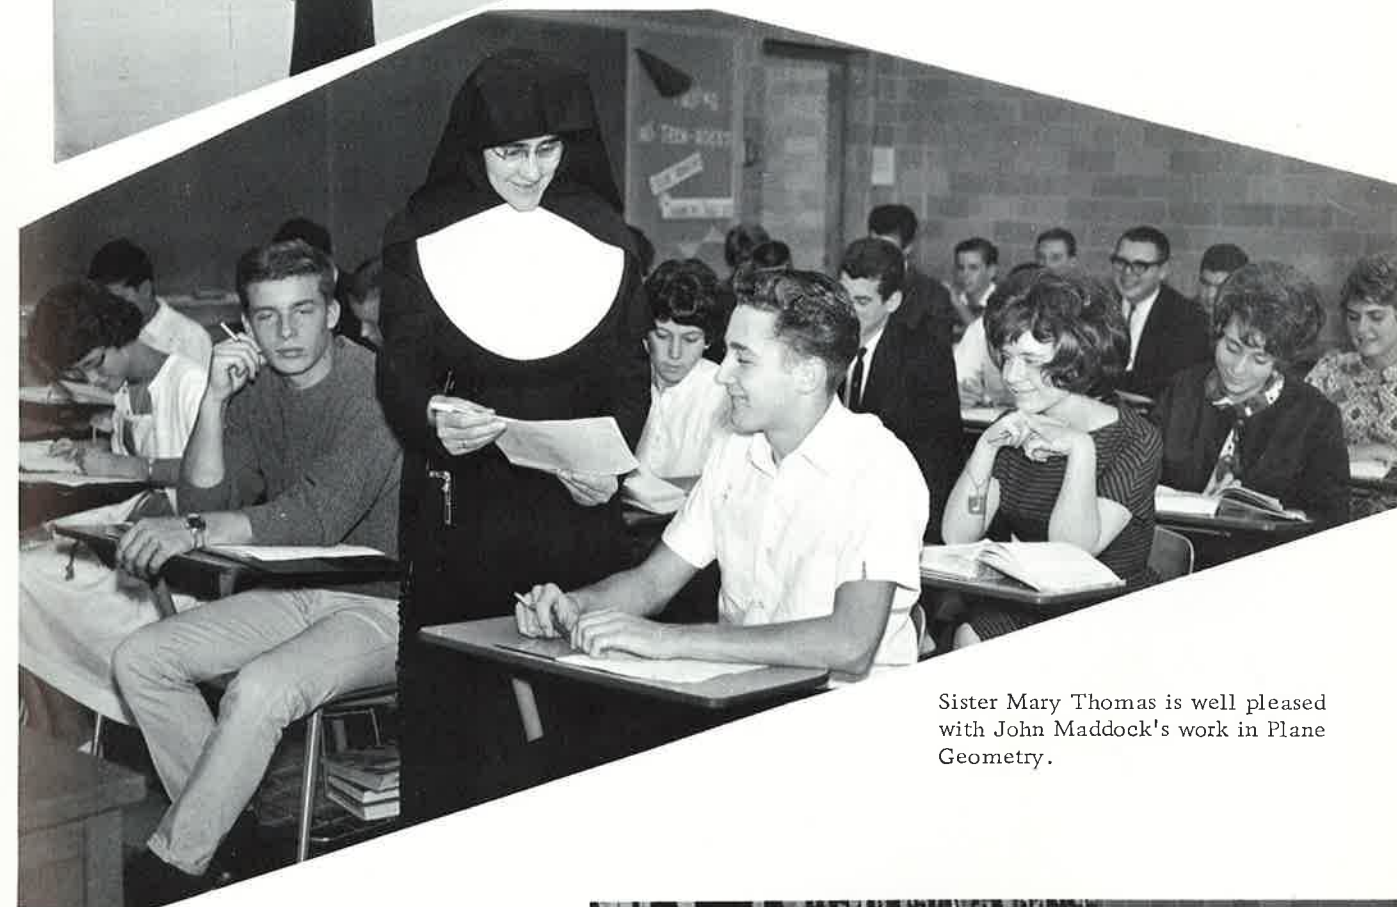

IN VARIED FIELDS OF ENDEAVOR

Colette Kramer, Mike Shea ('63), and JoAnn Zubriski display their artistic designs, made in Sister Kathleen's art class.

... Learning all the angles ...

Sister Mary Thomas is well pleased with John Maddock's work in Plane Geometry.

Current events posted on the wall supplement the weekly news film and the new textbook these Juniors, in Mr. Cichy's United States History class, find so intriguing.

If you're saving for opportunity...

...where you save does make a difference

Going into business for yourself often depends on having the money available when opportunity knocks. That's why it pays to save . . . now! And, when you put your savings into an Insured Savings and Loan Association . . . it pays even more. You get important advantages . . . excellent returns from your money is one advantage. Efficient, forward-looking service from men who know how to make your dollars work harder for you is another. And, of course, your money is safe because in Insured Associations your savings are protected by sound management and substantial reserves. They are insured up to \$10,000 by the Federal Savings and Loan Insurance Corporation—an agency of the U.S. Government. These are the reasons why Americans are putting more of their savings account dollars into Insured Savings and Loan Associations than anywhere else! Visit your nearby Insured Association tomorrow . . . and make sure you'll be ready when opportunity comes your way.

This sign identifies us as a member of The Savings and Loan Foundation, Inc., a nationwide organization of Insured Savings and Loan, Building and Loan and Homestead Associations which sponsors this message in Saturday Evening Post and U.S. News & World Report.
