"Ask not what your country can
do for you, but what you can do
for your country."

In Memoriam

FATHER EDWARD ARTH
Superintendent

Dedication:

To ONE possessing the deep wisdom and clear vision of an inspiring leader . . .

To ONE who has completely identified himself with the best interests and future welfare of the innumerable classes over which he has exerted his guiding influence . . .

To ONE who has the intrepid courage of a builder who possesses a constructive energy that makes dreams come true . . .

To ONE who has always manifested his willingness to help us in any worthwhile thing we strive to do . . .

To ONE who has done much extra work and who has shown his determination and desire to do anything in his power to make our school a better place and the students in it better citizens . . .

To ONE who has recognized the scholastic advancements of our age and who has made them available to Shanleyites . . .

To ONE who lives before us in a silent manner but who has set a wonderful example to all who have been under his leadership or in association with him in any way . . .

To HIM, our esteemed FATHER EDWARD ARTH, we the Senior Class of 1964, lovingly dedicate our annual because we shall always remember him and want him to remember us.

If you're saving for opportunity...

...where you save does make a difference

Going into business for yourself often depends on having the
money available when opportunity knocks. That's why it pays to
save . . . now! And, when you put your savings into an Insured
Savings and Loan Association . . . it pays even more. You get
important advantages . . . excellent returns from your money is
one advantage. Efficient, forward-looking service from men who
know how to make your dollars work harder for you is another.
And, of course, your money is safe because in Insured Associa-
tions your savings are protected by sound management and sub-
stantial reserves. They are insured up to \$10,000 by the Federal
Savings and Loan Insurance Corporation—an agency of the U. S.
Government. *These are the reasons why Americans are putting
more of their savings account dollars into Insured Savings and
Loan Associations than anywhere else!* Visit your nearby Insured
Association tomorrow . . . and make sure you'll be ready when
opportunity comes your way.
