our story begins...

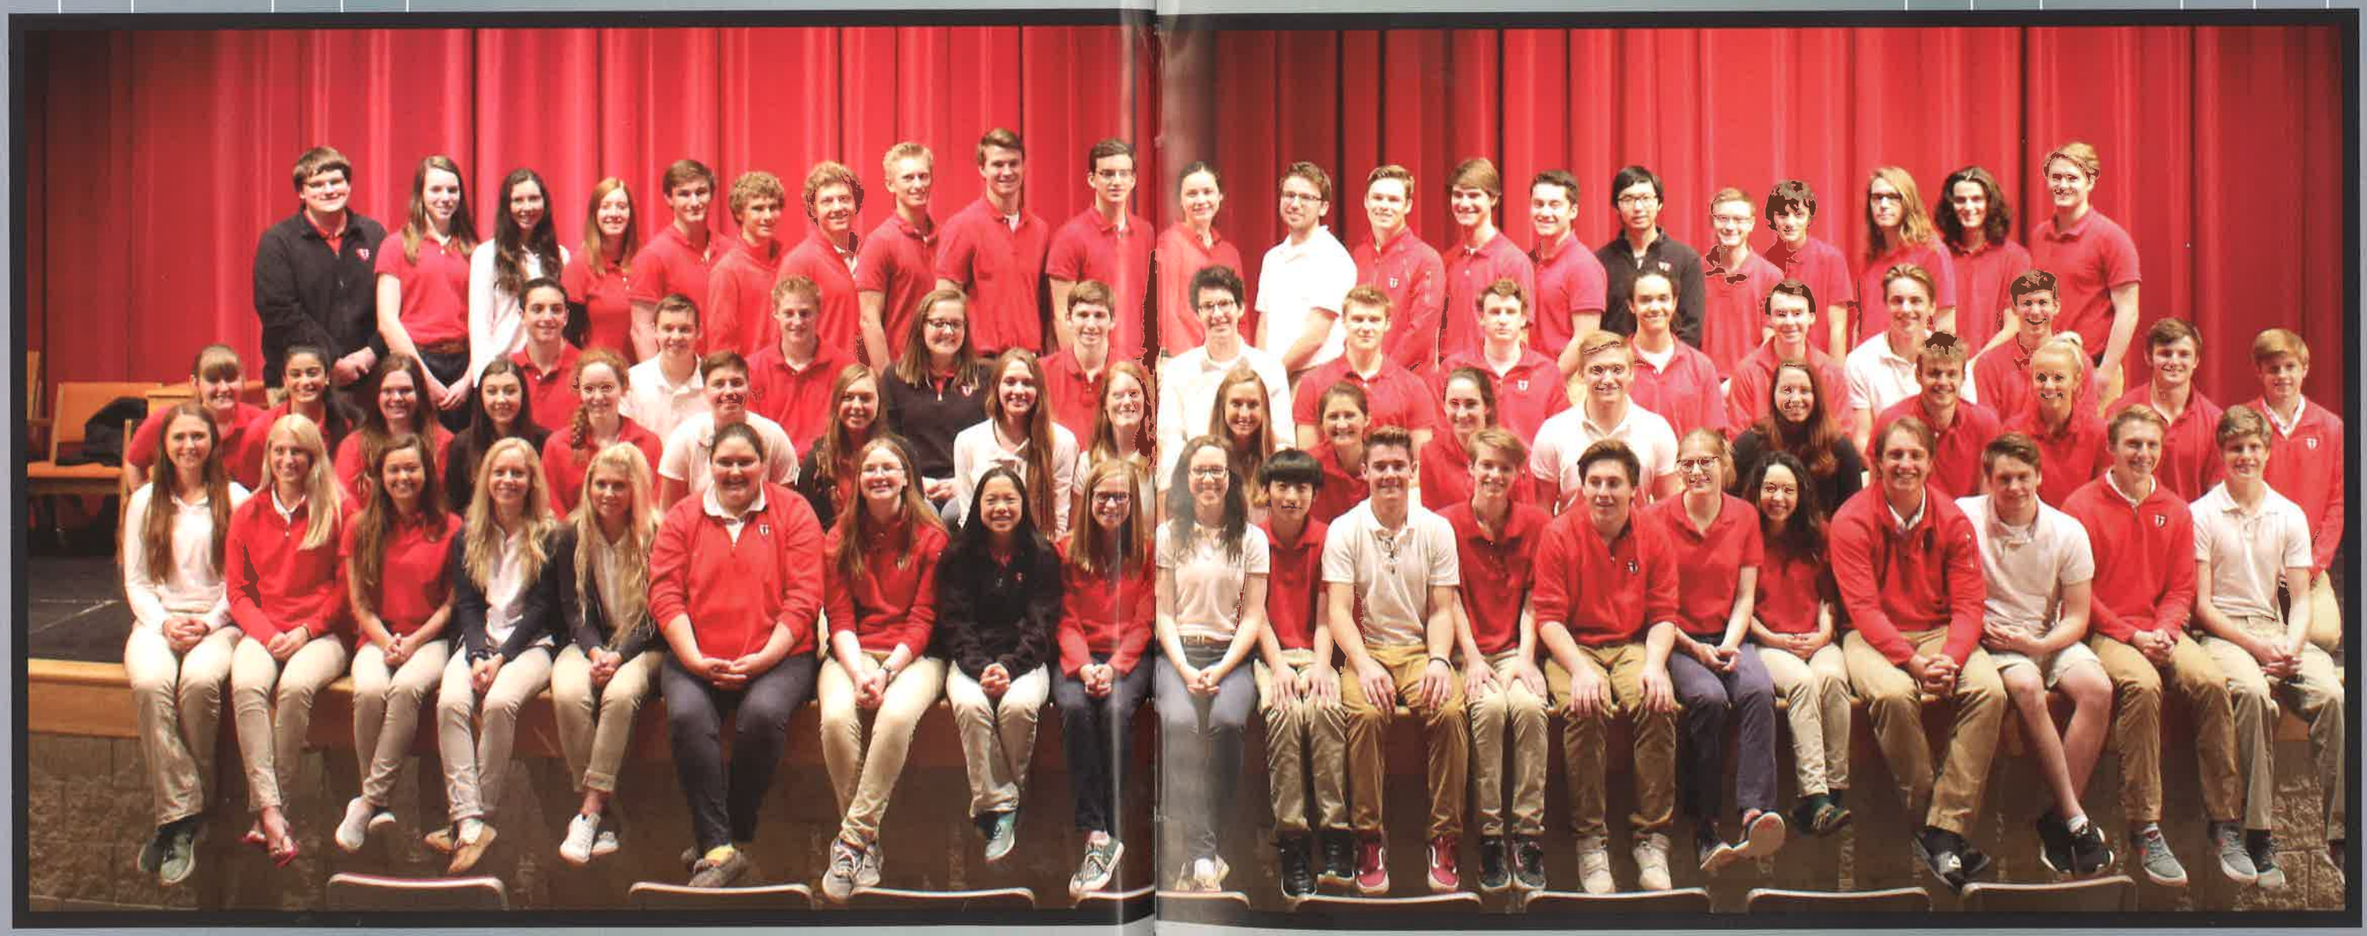

"Now there are varieties of gifts, but the same Spirit; and there are varieties of services, but the same Lord; and there are varieties of activities, but it is the same God who activates all of them in everyone. To each is given the manifestation of the Spirit for the common good.

For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ. For in the one Spirit we were all baptized into one body-Jews or Greeks, slaves or free-and we were all made to drink of one Spirit.

SENIORS RULE!

Day of Recollection

Senior year

Senior year is finally here, the time is now.
Before we graduate, let's take a bow.
We've grown up so fast, let's make our final moments together last.
We've had tons of fun, now our work here is done.

We'll never forget all the friendships we've won.
We're all here, so let's give a cheer!
Our high school years have gone by fast.
Let's focus on the future, not the past.
High school's been like a flight, let's go into the light.

Freshman, sophomore, and junior year was a lot of fun.
Now that we're seniors, our work is almost done.
It's almost time to graduate, there's no time to wait.
Let's submit those college applications, before it's too late.
Whenever we leave, let's not forget.
All the memories we've shared, all the people we've met.

Senior Choir Trip

The senior choir students took a trip to Minneapolis, MN. This trip was filled with a lot of plan changes and laughs. These musicians went to Downtowner Woodfire Grill and ate some amazing food like the chicken.

After this wonderful meal, they went to the opera Dinner at Eight. As they were waiting for transportation after the opera, they sang a beautiful portion of "If Ye Love Me" to end the night.

Over the whole trip, they went to the Mall of America, and instead of going to a light show, they had a blast at Dave and Buster's! To add onto all of this, they also went to Sea World in the Mall of America and got to see so many sea creatures.

They also had an eye opening experience when they went to a latin mass at St. Agnes Catholic Church. Overall, the trip was perfect for this group of wonderful individuals.

our story begins...

"Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving."

Philanthropy and Youth

About Us...

PaY is designed to introduce local high school students to the importance of leadership and service through grantmaking. In its's 9th year, 21 area high schools are each allocated $5,000 to use for grant making in the community. Run as an extra-curricular activity in schools, student-led committees first identify areas of focus, then research community nonprofits and visit organizations before deciding how to award the grant money. The vision for PaY is to inspire, lead, and share.

Shanley TV

About Us...

The Shanley AV Club has two primary functions: to maintain and operate the school's sound booth for various events and to broadcast school events on ShanleyTV.com. For the sound booth aspect of the club, team members operate equipment needed for school assemblies, masses, concerts, and other events that take place in the auditorium. For the Shanley TV component of the club, students produce high definition broadcasts of different sporting events and school events and stream them live on ShanleyTV.com. Club members run all aspects of the broadcasts, including play by play commentating, camera operation, graphics work, and technical directing. Students do not need to have an extensive background in technology to join the club.

2017 SPECIAL PROJECT at the Shanley Deacon Dinner Auction

The Mission of the Saint John Paul II Catholic Schools is to inspire exceptional student achievement by teaching the total person and fostering the following of Christ in an environment guided by the Gospel spirit, as taught by the Catholic Church.

SmartLab is a unique type of learning that incorporates standards in science, technology, engineering, and math. One of the most important challenges facing the JPII Schools today is how to prepare our students for jobs that do not yet exist requiring proficiency in technologies that have not been invented. In 2016, Nativity Elementary School and the JPII Schools implemented the SmartLab solution as an answer to this challenge and it has become the Special Project initiative to be unveiled at the 2017 Shanley Deacon Dinner Auction.

JPII Schools Retirees

Our retirees pictured here with President Mike Hagstrom are Cindy Hutchins (41 years), Mary Jo McClellan (38 years in Catholic Schools including 33 with us), Kristi Grafton (37 years), and Gail Ringey (30 years)—that's a total of 146 years given in service to Catholic Schools!

A tribute to Gail Ringey by senior Gabe Thomas during his graduation speech:

"Tonight as we celebrate our graduation, it is important that we not forget these people who helped us get where we are today. Particularly tonight, I think it is important that we recognize Shanley teacher Mrs. Gail Ringey who at the end of this year will retire after 43 years of teaching, 30 of which have been spent with our network. Starting at St. Anthony's Middle School, later renamed Sullivan, and eventually moving over to Shanley, Mrs. Ringey has devoted most of her professional career to helping students in our network learn and grow. Her most recent role at Shanley, however, demonstrated so well what it means to be a Deacon as she served as the student assistance coordinator, leading the Shanley resource room where she helped students who needed extra assistance to succeed in school as well as those enrolled in online courses not otherwise offered at Shanley. Mrs. Ringey is the epitome of what it means to be a Deacon. Her incredibly upbeat attitude, willingness to help, and dedication to serving others will be truly missed."

Goodbye to Staff

Thank you!

The yearbook staff would like to thank everyone who supplied pictures to the yearbook this year. It is with your help that we can produce our book each year.

We would also like to thank everyone who made this year memorable, especially our seniors, you will be missed!
