Math Mentor Program Structure

Director: Ben Moulton
ben.moulton@uvu.edu

Coordinator: Serena Buss
serenab@uvu.edu

Mentor Team Lead: Quetzal Martinez
quetzal.martinez@uvu.edu

Mentor: Jake Reed
10728050@uvu.edu
The mission of the UVU Math Mentor Program is to provide opportunities for students who have overcome their struggles in mathematics to develop the skills necessary to return and help students in developmental math courses through:

1. Teaching and encouraging metacognitive practices
2. Mathematics learning strategies and study skills
3. Student-to-student Interaction
