14:12:10  From Robert Cappetta: Motivating students in online courses seems to be much harder than in traditional classrooms.
14:12:45  From Nan Sattler: That is why it is so important to engage our students
14:15:22  From Pat Riley - Webinar Coordinator: https://docs.google.com/document/d/1xxUcFZOlw6y4Qm_wVVe9HrrA1OR_QwcyexZiYLEnrww/edit?usp=sharing
14:18:17  From Kathryn Van Wagoner to  All panelists: What kind of math text do they use?
14:18:59  From Radhika Ramjee to  All panelists: How many students do you have in each class. Is it not cumbersome to see all of them at the same time?
14:20:17  From Robert Cappetta: Zill's book is my favorite DE book to use
14:21:47  From Margo Carr: So does the Google doc show everyone's work or just the groups work?
14:22:10  From Joyce Walborn: Are they expected to pre-read or watch lecture videos before class so that they know the concepts when they break into groups?
14:23:26  From Keisha Brown: How do you foresee the group work being modified with social distancing during class?
14:24:11  From Barbie Hoag : What equation editor do you use in google docs?
14:24:30  From Pinder Naidu to  All panelists: How do weaker students perform in groupwork?
14:26:11  From Margo Carr: In conferences in Canvas you can set up one-on-one meetings.
14:26:39  From Robert Cappetta: MathType no longer works on Catalina, so do not upgrade your operating system.
14:27:26  From Jennifer Euteneuer to  All panelists: I also want to know if there is a pre-class reading assignment.
14:27:27  From Pinder Naidu to  All panelists: Are they expected to pre-read or watch lecture videos before class so that they know the concepts when
they break into groups?
14:27:56 From Pinder Naidu to All panelists: Yes
14:29:54 From Nan Sattler to All panelists: one minute left of Kate's
time -- I wont' ask any more questions of her
14:33:23 From Nan Sattler to All panelists: Julie, take your full 20
minutes
14:33:39 From Igor Baryakhtar: what % of student participated in
discussion?
14:34:19 From Nan Sattler to All panelists: Kate can you go into the
chat and answer what % of students participate in the discussion?
14:35:01 From Beverly Vance: How does youtube campare to Kaltura??
14:35:34 From Robert Cappetta: You can upload YouTube videos to Kaltura.
I think the captioning is pretty equivalent
14:36:45 From Jennifer Ackerman to All panelists: We use Techsmith
Knowmia and it does a fairly good job with captioning but the HAVE to be edited for
mistakes!
14:41:27 From Pat Riley - Webinar Coordinator: https://student.desmos.com/join/awhgwn
14:47:29 From Aradhana Kumari to All panelists: how did you teach
about demos in asynchronous mode?
14:47:38 From Aradhana Kumari to All panelists: did you created a
video?
