Brand new: the Student Research League

$ prizes for awesome researching students.

$ 35 for a college between Jan. 1 and Mar. 15
for the competition which runs from Apr. 7 to Apr. 15.
**Who:** College students at two-year colleges or in the first two years of college

**What:** A competition to solve an open-ended problem using research and mathematical tools

**When:** April 7-15, 2018

**Why:** To encourage modeling and research problem solving

**How:** Visit amatyc.org and click on link
When the ideas of AMATYC IMPACT are implemented, students are empowered to be mathematically proficient, take ownership for their learning and be engaged in the learning process. Faculty will focus on facilitating a conceptual understanding of mathematics and procedural fluency, in addition to student engagement & success, with the support of their institution.

Delegates will have an opportunity to approve the philosophy and spirit of the document on Saturday afternoon.
In 2016 Funds ($19,500) were used to support:

• AMATYC Project ACCCESS fellows
• Revision of the AMATYC Standards documents
• Grants to Members
• Awards/Scholarships
  – Leila & Simon Peskoff Award
  – Margie Hobbs Award
  – Presidential Student Scholarship
• Drawings at Annual Conferences
• Developmental Mathematics Summit

Mission: to provide financial support for the goals and activities of AMATYC and its members, and for AMATYC projects.
Drawing today for potential winners

• a 1-year AMATYC membership to a member of the region with the highest % of conf. attendees contributing any amount. AND

• the same prize to a member of the region that gives the highest total $ amount.

Thank you for your support!
One more winner will be randomly-drawn at the Sat. breakfast, independent of region and $ amount: complementary discount member registration for the San Diego 2017 conf.

Thank you for your support!
