

Full-Time Faculty
Mathematics

Please apply at <http://apptrkr.com/1343665>

Application Deadline: Completed online applications must be submitted by Monday, January 14, 2019 @ 11:59 PM PST.

Essential Functions of Position:

Commencing Fall 2019, one tenure-track faculty position will be available in the Department of Mathematics. Responsibilities include teaching and course development for the full spectrum of community college mathematics, including statistics and basic arithmetic through calculus, linear algebra, and differential equations. Assignments may involve teaching courses in the evening. Other duties include keeping required office hours, full participation in departmental responsibilities (including serving as department chair on a rotating basis), and college service (such as committee assignments and co-curricular activities). Involvement in activities designed to improve teaching and particularly the application of technology to the instructional process will be expected.

Minimum Qualifications: Candidates must possess the minimum qualifications for the discipline as approved by the California Community Colleges Board of Governors and defined in the Minimum Qualifications for Faculty and Administrators in California Community Colleges handbook.

1. Master's in mathematics or applied mathematics OR
2. Bachelor's in either of the above AND
3. Master's in statistics, physics or mathematics education OR
4. Combination of education and other accomplishments that is equivalent to the above. (If claiming equivalency, attach a separate statement that presents the basis for this claim and submit supporting evidence, e.g., transcripts, publications, and other work products.); OR
5. Possession of a lifetime California Community College Instructor Credential in Mathematics.

If the title of your degree as stated on your transcripts does not exactly match one of the degree titles listed in the minimum qualifications, you must complete an equivalency statement and attach it in the "Equivalency field" under the documents needed to apply. Degree titles that are not an exact match will not be considered outside of the equivalency process.
