Professional Development Beyond the Conference
Professional Development Position Statement

SUPPORT FOR PROFESSIONAL DEVELOPMENT

To increase the participation and retention of all students in mathematics and mathematics-related disciplines and to provide all students with a meaningful mathematics education, ongoing faculty development is necessary. Colleges should support all of their mathematics faculty as they grow, improve, learn, and implement new instructional ideas.
Beyond Conference Attendance!

• Serving as a chair or committee member
• Serving as a reviewer
• Participating as a mentor or mentee
• Leading or participating on a grant writing team
• Engaging in teaching and learning webinars
• Collaborating with faculty at other institutions on teaching and learning projects

AMATYC Committees

There are 9 AMATYC Committees and 4 AMATYC Networks (ANETs), busily discussing issues that are important to the teaching and learning of mathematics in the first two years of college. Join a committee or two! Their discussions happen primarily via emails, blogs, etc.
Developmental Mathematics

Paula Wilhite
Innovative Teaching and Learning

Dan Petrak

Mathematics for Liberal Arts
AMATYC Board

Have you ever thought of running for the AMATYC board? If you have, *please consider* nominating yourself or a colleague for the positions of President-Elect, Secretary, Treasurer, or Regional Vice President in our next election.
Beyond Conference Attendance!

- Serving as a chair or committee member
- **Serving as a reviewer**
- Participating as a mentor or mentee
- Leading or participating on a grant writing team
- Engaging in teaching and learning webinars
- Collaborating with faculty at other institutions on teaching and learning projects

Project ACCCESS

AMATYC

Project ACCCESS

Advancing Community College Careers: Education, Scholarship, and Service
AMATYC Project ACCCESS is a mentoring and professional development initiative for two-year college mathematics faculty. The project's goal is to provide experiences that will help new faculty become more effective teachers and active members of the broader mathematical community.
Beyond Conference Attendance!

- Serving as a chair or committee member
- Serving as a reviewer
- Participating as a mentor or mentee
- **Leading or participating on a grant writing team**

AMATYC Annual Conference

- There’s still time to be a presider!
- Chat & Chew!
- Forums!
- Regional Lunches!
- Faculty Math League!
- Committee Meetings!
- Ignite!
- Complimentary Disney Shuttle!
- Great Sessions!
Upcoming Conferences

November 15-18, 2018, Orlando, FL
November 14-17, 2019, Milwaukee, WI
November 12-15, 2020, Spokane, WA
October 28-31, 2021, Phoenix, AZ
November 17-20, 2022, Toronto, ON
Have a Suggestion?

Use this page to recommend a Keynote Speaker for the Annual Conference:

Traveling Workshops

“Traveling Workshops are customized to fit the needs of your event and audience. Traveling workshops can provide training for up to 30 participants, this is very cost-efficient compared to the cost of sending only a few faculty to an off-campus event. Traveling workshops are convenient – you choose the date and plan the on-site logistics; the facilitator will plan the learning activities and provide activities and curriculum.”
Traveling Workshops

AMATYC Social Media Request Form

AMATYC Social Media Request

Please use this form to request information to be posted on one of AMATYC's Social Media accounts. Requests from the President and the Conference committee, as well any time sensitive requests, will always take precedence over other requests. Requests received fewer than 2 business days (48 hours) before requested posting date may not be honored.

Examples of items that this form can be used for:

• Announcements for an AMATYC Committee, such as an upcoming webinar
• Information from affiliates, such as pictures from a recent conference
• Links to articles that may be of interest to AMATYC members (as long as it is explained how the sharing of the article supports AMATYC's strategic priorities)
• Mathematical fun facts, such as items relating to phi day, e day, or Pi day
• Conference reminders, such as the proposal submission and registration deadlines
• Items that have already been sent in an AMATYC e-mail blast
• Save the date, such as for the Developmental Math Summit or Sister Organization Conferences
• Reminders about what AMATYC offers (Did you know?)

Any items commerical in nature likely will not be posted, including links to websites that may be selling an item.

Getting Involved Locally

- Affiliate Conferences
- Student Math League
- Student Research League
Regional Facebook Groups

AMATYC Awards

- Peskoff Award
- Margie Hobbs Award
- Teaching Excellence Award
- Mathematics Excellence Award
AMATYC Individual Membership

• Right to vote, hold elected office, be appointed to leadership positions, nominate candidates for office, service on committees, be appointed as a delegate
• Subscription to AMATYC News and MathAMATYC Educator
• Priority seating in AMATYC Webinars
• Access to past SML tests
• Reduced conference registration rates
AMATYC Institutional Membership

- Right to nominate candidates for office
- Subscription to AMATYC News and MathAMATYC Educator
- Priority seating in AMATYC Webinars
- One complimentary discount member conference registration
- SML participation waiver and Access to past SML tests
- Two complimentary job listings posted on the AMATYC website Job Board
