The TRULLI-SHIRE TOUR

Saturday July 18
Alberobello

a UNESCO World Heritage Site, with its many **trulli**, which were traditional farm houses made of stone, dating back to the Bronze Age with the characteristic shape of an inverted cone.
Ostuni

The White city, an architectural jewel for its white walls and its typically white-painted architecture. Built on top of a hill and still fortified by the ancient walls.
Polignano

a small fishing village perched on the steep cliff is now one of the most visited and appreciated for its uniqueness; among its lanes the most famous song in the world was written: "Volare".
The tour includes:

- Bus from Bari
- Tour guide
- Lunch in a typical restaurant in Ostuni
