THE UNESCO HERITAGE TOUR

Saturday July 18
Matera (European Capital of Culture 2019)

Known as "la Città Sotterranea" (the Subterranean City), Matera is well known for its historical center called "Sassi", considered World Heritage Site by UNESCO since 1993, along with the Park of the Rupestrian Churches.
Castel del Monte (Andria)

a unique medieval octagonal structure built by Frederick II of Swabia in the XIII century. It rises majestically on a desolate hill surrounded by lush vegetation. This is a UNESCO heritage.
Trani

The 'Pearl of Puglia’, a beautiful medieval town whose charm has enchanted invaders for centuries. It witnesses the famous open-ness of the Apulian people who are always ready to welcome others. The Cathedral of St. Nicholas the Pilgrim, overlooking the Adriatic sea, is a perfect example of Apulian Romanesque architecture, with strong influences of Arab architecture, dating back to the eleventh century; even then this land was "the gateway to the East."
The tour includes:

• Bus from Bari

• Tour guide

• Lunch in a typical restaurant in Castel del Monte
