Message from the President

I would like to thank all the members who attended our meeting in Charlotte, North Carolina. It was very well attended, and I had the opportunity to catch up with many old friends and colleagues. We had a successful meeting with lots of interesting and informative lectures from which I personally learned a great deal.

One of the highlights of the meeting was a presentation by Dr. Nicole Owens, who chaired the Resident Review Committee of the ACGME. Her question and answer session addressed many of the concerns of our membership and program directors of the AOCD Dermatology Residencies as the historic unification of the DO and MD physicians evolves.

I hope that everyone is already making plans to attend our Fall Meeting. The Orlando, Florida meeting will include exciting changes, including more CME and our own exhibit hall. It will also be the meeting when I pass the torch to Dr. Alpesh Desai, President-Elect of the AOCD. It has been a pleasure and a privilege to serve our great College, and I hope to see you all there!
Greetings Everyone!

If you joined us in Charlotte recently, we thank you and hope you had a great experience. For those of you not able to make it, this special edition of DermLine will highlight the meeting for you.

Our attendance in Charlotte was the highest ever for a Midyear/Spring Meeting. Below is a breakdown of the numbers.

Registration and Attendance
• Total Registrations – 227
• Total Attendance – 225

Member/Non-Member Attendance
• AOCD Members – 190
• Non-Members – 35

AOCD Member Attendance
• Affiliate Members – 1
• Associate Members – 1
• Fellow Members – 136
• Resident Members – 25
• Student Members – 27

Non-Member Attendance
• Non-Member D.O.s – 7
• MDs – 15 (total includes 11 MD speakers)
• Non-DO, Non-MD Speaker – 1
• Physician Assistants – 7
• Registered Nurse – 1
• Nurse Practitioner – 1
• Office Staff – 1
• Registered Corporate/Exhibitors – 2

Our exhibitor hall was also filled to the brim. Shelley Wood’s Corporate Spotlight column features complete details on the exhibits on page 9. We have highlighted three of our new exhibitors in this special edition of DermLine. The AOCD relies on financial support from these exhibitors and their parent companies, so we urge all attendees to visit the exhibits.

For the second year, we offered an incentive for visiting the booths. For attendees who got their exhibitor map checked off at each table, they were entered in a drawing for four dermatology reference manuals and two free registrations to a future AOCD meeting. This year’s winners were:

Lois Beard Martin, DO, free registration to our 2015 Fall meeting in Orlando.

Carol Cola, DO, free registration to our 2016 Spring meeting in New York.

Laura Benedetto, DO, Denise Brooks, Jacqueline Habashy, and Edlyn Jones were the winners of the reference books Dermatology Essentials, 1st Edition and Fitzpatrick’s Color Atlas, 7th Edition.

We also want to thank our speakers that helped to make this meeting a success. Our guest speakers were Clifford Lober, MD; Kamran Goudarzi, MD; Deidra Blanks, MD; Amy McMichael, MD; Joseph Jorizzo, MD; David Herold, MD; Laszlo Karai, MD and Mark Matthews, MD. Members from the AOCD who also spoke were, Reagan Anderson, DO; Jack Cohen, DO; Jonathan Crane, DO; James Del Rosso, DO; Steven Grekin, DO and Rick Lin, DO.

The AOCD staff recently dug deep into the archives and came up with pictures from the past. A slide show was assembled and put on display during intermission. We are working on additions to that slideshow for our Orlando meeting. Speaking of the Orlando meeting, be sure to review the information in this special edition of DermLine regarding the events and changes taking place this fall for our meeting. Be sure to also watch your mail boxes for information as well as monitor our Thursday Bulletins. Exciting changes are in store for this Fall Meeting in Orlando! You won’t want to miss out.

The Fall Meeting in Orlando will be the LAST AOCD meeting before the current CME cycle ends on December 31, 2015. We anticipate offering 25 CME at this meeting. Remember, physicians need 50 CME in their Dermatology specialty, and 25 of that 50 must come from an AOCD meeting as Category 1A. We urge our members to log on to the AOA’s website and check their CME report.

Click here to visit the AOA’s CME site.
Spring Meeting Speaker Spotlight: Amy McMichael, MD

The 2015 Spring Meeting featured lectures from several speakers making their first appearances at an AOCD meeting. Amy McMichael, MD, made her debut AOCD appearance presenting her lecture *Skin Disease in Skin of Color*.

Dr. Amy McMichael is Professor and Chair of Dermatology and Dermatology Residency Director at the Wake Forest University School of Medicine. She received her MD at the University of Pennsylvania School of Medicine, dermatology training at the University of Michigan and advanced training in epidemiology at the Wake Forest School of Medicine Department of Public Health Sciences. Dr. McMichael is a diplomat of the American Board of Dermatology. Her research focuses on hair and scalp disorders and skin disease of deeply pigmented skin. Her publications include many peer-reviewed articles, chapters, and invited articles on these topics. She is also the co-editor of the text *Hair and Scalp Diseases: Medical, Surgical, and Cosmetic Treatments*.

Dr. McMichael is on the Editorial Board of Cosmetic Dermatology and has served as a consultant to the pharmaceutical industry. She has served as a member of the Scientific Advisory Council to the National Alopecia Areata Foundation, is the current President of the Skin of Color Society, and Chair, Career Advancement Committee of Womens Dermatologic Society. She has served as Vice-President of the Womens Dermatologic Society, Secretary-Treasurer of the North American Hair Research Society, and Chair of the Dermatology Section of the National Medical Association.
2015 Fall Meeting Update

The AOCD Board of Trustees voted at their meeting in Seattle, WA to change the direction of our 2015 Fall Meeting, which is normally held in conjunction with AOA OMED.

This year, the AOCD will be holding our conference as a pre-meeting, October 15-18. This provides cost-savings to our college and allows us to maximize our CME offerings over a shorter conference period. In addition, whoever would like to additionally register and attend the OMED conference for other specialty sessions will be able to do so without conflict. There are a few important and exciting points to note for the upcoming meeting:

- Registration: AOCD Members will register with the AOCD for this meeting, not through AOA and OMED. Click here to register online, and be sure to sign in to receive your member rate.
- CME: Members’ CME will be reported to the AOA by the AOCD office! We will be offering 25 CME at this meeting.
- Location: Our meeting will be held at Loews Royal Pacific Resort. This meeting location will be EXCLUSIVE to AOCD!
- Room Rate: $229.00/ night - Click here to reserve your room online using our group reservation page or call (866) 360-7395.
- Exhibitors - For the first time, the AOCD will be inviting exhibitors to our meeting.

The AOA’s sessions are being held Sunday, October 18 to Wednesday, October 21 at the Orange County Convention Center. Please note, the registration fee you pay to the AOCD will only apply to the AOCD meeting. We will be obtaining special day passes good for the AOCD’s session to be held on Sunday, October 18, 2015 at the convention Center. This will be at no additional cost to you. This day pass will be good for Sunday, October 18, 2015 ONLY. If you choose to stay and attend the AOA sessions Monday-Wednesday, you will still need to register through the OMED site in order to claim CME from the OMED session.

Meeting Chair, Alpesh Desai, DO, is hard at work putting together a great program for our attendees. The AOCD has invited the following speakers to serve as faculty for the meeting: Will Kirby, DO; Matt Leavitt, DO; Daniel Ladd, DO; John Cangelosi, MD; Suzanne Sirota Rozenberg, DO; Lloyd Cleaver, DO; David Herold, MD; James Del Rosso, DO; Carlos Nousari, MD; Clifford Lober, MD; JD; Lisa Swanson, MD; Francisco Kerdel, MD and Reagan Anderson, DO. The tentative schedule outline is as follows:

Thursday, October 15, 2015
8:00 a.m. – 12:00 p.m. AOCD BOT Meeting
12:00 p.m. – 1:00 p.m. Leaders Luncheon
1:00 p.m. – 5:00 p.m. Resident In Training Exam
4:00 p.m. – 6:00 p.m. Exhibitor Set Up
4:00 p.m. – 8:00 p.m. AOCD Program Director Meeting

Friday, October 16, 2015
6:30 a.m. – 7:30 a.m. Breakfast with Exhibitors
7:30 a.m. – 10:00 a.m. Lectures
10:00 a.m. – 10:30 a.m. Break with Exhibitors
10:30 a.m. – 11:30 a.m. Lectures
11:30 a.m. – 1:00 p.m. Lunch Lecture
1:00 p.m. – 2:00 p.m. Lectures
2:00 p.m. – 2:30 p.m. Break with Exhibitors

Saturday, October 17, 2015
7:00 a.m. – 10:00 a.m. Lectures
10:00 a.m. – 10:30 a.m. Break with Exhibitors
10:30 a.m. – 11:30 a.m. Lectures
11:30 a.m. – 1:00 p.m. Lunch Lecture
1:00 p.m. – 3:00 p.m. Lectures
3:00 p.m. – 3:30 p.m. Break with Exhibitors
3:30 p.m. – 5:00 p.m. Lectures
5:00 p.m. – 5:30 p.m. CLIA Proficiency Exam

Sunday, October 18, 2015
Sunday’s Session will be held at the Orange County Convention Center with the AOA.
8:00 a.m. – 12:00 p.m. Lectures
12:00 p.m. – 1:30 p.m. Lunch on your own
1:30 p.m. – 5:30 p.m. Lectures
5:30 p.m. End of Conference

Meeting Highlights
- Board Certification and Recertification Exams are scheduled for Thursday, October 15, 2015 at the Loews Royal Pacific Resort. Visit www.aobd.org for more information.
- Board of Trustees will meet Thursday, October 15, 2015 at the Loews Royal Pacific Resort from 8:00 a.m. to 12:00 p.m.
- Program Directors will meet Thursday, October 15, 2015 at the Loews Royal Pacific Resort from 4:00 p.m. to 8:00 p.m.
- **NEW** Private Practice Forum will take place Thursday, October 15, 2015 at the Loews Royal Pacific Resort from 1:00 p.m. to 5:00 p.m.
- Resident In-Training Exam will take place Thursday, October 15, 2015 at the Loews Royal Pacific Resort from 1:00 p.m. to 5:00 p.m.
- Friday, October 16, 2015 Lectures and Exhibits will take place at the Loews Royal Pacific Resort from 1:00 p.m. to 5:00 p.m.
- Saturday, October 17, 2015 Lectures and Exhibits will take place at the Loews Royal Pacific Resort from 8:00 a.m. to 5:00 p.m.
- Sunday, October 18, 2015 Lectures will take place at the Orange County Convention Center with the AOA from 7:00 a.m. to 5:00 p.m.

More details regarding this will be sent early summer 2015. Please contact our office if you have additional questions.
Dermatology Private Practice Forum
**NEW** Event

Join fellow AOCD members in private practice for an afternoon of networking, sharing of ideas, and concerns regarding running a private practice. Do you have questions? AOCD colleagues may have advice to share. Others may have questions that you may be able to assist with.

Spend a few hours with friends and colleagues on Thursday, October 15, 2015 in Orlando at the Loews Royal Pacific Resort from 1:00 p.m. to 5:00 p.m. and share and receive best practices which will help you as well as others grow your practice.

**Reserve your seat now!**

**What?** Dermatology Private Practice Forum  
**When?** Thursday, October 15, 2015 at 1:00 p.m.  
**Where?** Loews Royal Pacific Resort, Orlando, FL

☐ Yes! Count me in!

Board Recertification: What You Need to Know

Board recertification involves Osteopathic Continuing Certification (OCC).

What is OCC? In 2013, the Bureau of Specialist of the American Osteopathic Association mandated that osteopathic physicians that hold time-dated board certificates be required to re-certify their board certification in ten years. This assesses knowledge and opportunities to evaluate and improve the knowledge base. Those wishing to recertify must participate in OCC and MUST participate in all of its components. Components include an unrestricted license, lifelong learning/CME, cognitive assessment (recertification exam) practice performance assessment and improvement and continuous membership in the AOA/AOCD.

As a board certified dermatologist, you are already participating in four of the five components, with the only new requirement being the practice performance assessment and improvement requirement. This component requires the dermatologist to register with AOA O-CAT and participate in the modules at least once every five years in the cycle or two times in ten years. There is a cost of $295 for three year subscription associated with registering with O-CAT at www.osteopathic-cat.com. OCC participants will also be required to complete one Communication module (available through AOA OSCAT) every five years in the cycle (i.e. one communication module completed during years 1-5 and one communication module completed during years 6-10).

The board certified dermatologist must hold a valid, unrestricted license to practice medicine in one of the 50 state or territories and in addition must adhere to the AOA’s Code of Ethics once in every three year CME cycle.

The lifelong learning requirement or CME requirement is that each dermatologist must fulfill a minimum of 120 hours of CME credit during each three-year CME cycle and of these, 50 must be in dermatology. Of the 50, 25 hours must come from osteopathic dermatology programs (AOCD). Candidates will be asked to attest to meeting this requirement every three years.

Every ten years, those that hold a time-dated certificate participating in OCC must successfully complete the AOBD OCC cognitive assessment examination (re-certification examination). The board recertification exam may be taken one year prior to its expiration. The other module must be completed prior to sitting for the examination in either 2019 or 2020.

For those whose certificates expire in 2020, you will need to complete two PPA Modules prior to sitting for the exam. One module must be completed in this CME cycle and one in the next CME cycle. What that means for you is that you MUST complete one (1) module before December 31, 2015. If you have not already done so, you must register at http://www.osteopathic-cat.com, pay the fees of $295 and complete one module by the end of the year. The other module must be completed prior to sitting for the examination either 2019 or 2020.

This is all mandatory for recertification. If you have any questions please refer to the website at http://aobd.org/aobd/occ/aobd-occ-faqs or contact Renee Herron (execdirector@aobd.org) to get answers to your questions. There are OCC updates at the Annual AOCD meeting as well where you can ask questions.

Below is a schedule for certificates expiring in the upcoming years along with what modules need to be completed.

<table>
<thead>
<tr>
<th>Certificate Expiration Date</th>
<th>No. of Modules to be Completed</th>
</tr>
</thead>
<tbody>
<tr>
<td>Group 1</td>
<td></td>
</tr>
<tr>
<td>2014</td>
<td>None until certificate renewed</td>
</tr>
<tr>
<td>2015</td>
<td>None until certificate renewed</td>
</tr>
<tr>
<td>2016</td>
<td>None until certificate renewed</td>
</tr>
<tr>
<td>Group 2</td>
<td></td>
</tr>
<tr>
<td>2017</td>
<td>1 PPA/1 communication prior to certificate renewal</td>
</tr>
<tr>
<td>2018</td>
<td>1 PPA/1 communication prior to certificate renewal</td>

</tr>
<tr>
<td>Group 3</td>
<td></td>
</tr>
<tr>
<td>2020 and after</td>
<td>2 PPA/2 communication prior to certificate renewal</td>
</tr>
</tbody>
</table>

What if you hold a CAQ in a subspecialty? There will be upcoming modules for those subspecialties in the future. Until those are approved by the AOA, there will be no need to complete additional modules at this time for those subspecialties.
Corporate Spotlight

I appreciate having had the opportunity to thank several of our corporate sponsors and to welcome new exhibitors at the 2015 Spring Meeting for their support of the College. All the exhibitors were happy with the layout of the room and the time spent with the attendees. I have received positive feedback from several exhibitors. The AOCD is very fortunate to have corporate sponsors who join us as partners with a commitment to medical excellence. In the midst of economic uncertainty, our corporate sponsors remain committed to the College and continuing medical education (CME). It goes without saying that our corporate sponsors are critical to helping us accomplish our mission.

New and returning corporate sponsors are as follows:

- Galderma, Ranbaxy Laboratories, Inc., Valeant Pharmaceuticals (Diamond Level)
- AbbVie, Celgene, Merz Pharmaceuticals, LLC (Gold Level)
- DLCS, Lilly USA, LLC (Bronze Level)
- Actavis, PLC, Allergan, Anacor Pharmaceuticals, Dermpath Diagnostics (Pearl Level)

In addition to corporate membership, Ranbaxy Laboratories, Inc. has had a long relationship with the College and continues to support us through generous sponsorships. Ranbaxy’s most recent sponsorship was for the Welcome Reception that was held April 23, 2015 in the Upper Garden area of the Ritz-Carlton. The Welcome Reception gives exhibitors and physicians the opportunity to meet in an informal setting. We appreciate everything Steve Hecklein and Ranbaxy Laboratories, Inc., is doing for the College and CME.

Allergan, Anacor Pharmaceuticals, Bayer Healthcare, DLCS and Valeant Pharmaceuticals provided sponsorship or unrestricted grants to help support the meeting. The AOCD is grateful for the continued support from these companies in making our meetings successful.

The AOCD also appreciates the following company for providing a lunch product theater, Janssen Biotech, Inc. The lunch lecture was given by Brad P. Glick, DO, on Saturday, April 25, 2015 from 12:00 p.m. to 1:00 p.m. Dr. Glick presented Clinical Casebook in Dermatology: biologic Therapy in Moderate to Severe Plaque Psoriasis and Active Poriatic Arthritis.

Exhibitors for the 2015 Spring Meeting were as follows: AbbVie, Actelion Pharmaceuticals US, Inc., Advanced Rad Solutions, Allergan, Aqua Pharmaceuticals, Aurora Diagnostics, Bayer Healthcare, Celgene, Dermpath Diagnostics, DLCS, DUSA Pharmaceuticals, EZDERM, Galderma, Heartland Payment Systems, Hill Dermaceuticals Inc., Janssen Biotech, Inc., Leo Pharma, Lilly USA, Inc., Medimetriks Pharmaceuticals, Merz Pharmaceuticals, LLC, Novartis Pharmaceutical, Person & Covey, Photomedex, Ra Medical, Ranbaxy Laboratories, Inc., Tizo by Fallene, Total Life Care Rx Pharmacy, Valeant Pharmaceuticals, and WhiteCoat Designs.

We hope that many of you had an opportunity to express your appreciation to our sponsors while you were in Charlotte. The fact that they continue to support the College, many of them doing so for several years, speaks volumes about the value of their commitment to our organization.

AOCD Introduces New Spring Meeting Exhibitors

The AOCD and Heartland Payment Systems have partnered to bring our Dermatology offices nationwide:

- Incredible savings on their Visa/ MasterCard/American Express/ Discover processing fees
- 100% rate transparency and a price guarantee!
- Full protection from hackers breaching your patients’ financial data
- Getting your office ready for the Visa/ MasterCard EMV mandate in October 2015

Heartland is a DIRECT PROCESSOR – not a middleman like a bank. They are now processing for dozens and dozens of AOCD affiliated offices nationwide and the reviews are fantastic. They are reporting that it is a seamless and hassle-free transition with no set-up costs.

Credit card and bank fees are perhaps your 3rd or even 2nd largest expense in your office. You have no control over so many things in your practice, but you do have control over if you are being treated fairly by your current processor. The bottom line is Heartland treats you fairly and provides superior customer service.

You can reach our exclusive AOCD National Relationship Manager, Tony Silber, by phone (248-396-3347) or email (tony.silber@e-hps.com). For more information, visit HeartlandPaymentSystems.com.

WhiteCoat Designs specializes in medical marketing solutions for the healthcare industry. Offering medical website design, internet marketing, social media, branding, and referral building, we help doctors stand out in today’s competitive healthcare market. Curious how you stack up against your competition in the local medical community? Contact them by phone (888-589-3904 ext. 101) or email (amanda@whitecoat-designs.com) about conducting a competitive analysis to discover your marketing weaknesses. Visit them at www.whitecoat-designs.com to learn more.

Celgene Corporation, headquartered in Summit, New Jersey, is an integrated global biopharmaceutical company engaged primarily in the discovery, development and commercialization of novel therapies for the treatment of cancer and inflammatory diseases through gene and protein regulation. For more information, please visit www.celgene.com. Follow them on Twitter @Celgene as well.
Hi everyone,

It was great seeing everyone who made it to Charlotte to attend the 2015 AOCD Spring Meeting! I hope you all had a great experience, enjoyed Charlotte and came away with useful information to take back to your programs and practices.

New Resident Presentation Requirements

Beginning with the AOCD Fall meeting in Orlando, the following will be required for resident lectures and replace the individual third year resident lecture requirement:

Each residency training program must present one lecture of **15 minutes** in length based on an assigned topic at an assigned time during the AOCD Fall Meeting. The presentation should be presented as a board review lecture and use the most current literature. The program’s senior resident will present the information, but all residents in the program must show proof of participation in the project. The program may select the presenting resident, or more than one senior resident may present the lecture.

The residency program director will review all oral presentations prior to submission. In addition, the program director will submit a signed and dated statement that the program’s oral presentation has been reviewed, thereby allowing the presentation to be included in the AOCD meeting program. The program director will confirm each resident’s participation in the group presentation.

Requirements and deadlines for the program presentations are as follows:

- **Program Presentation Information Form** and Presentation Needs Assessment must be submitted to the AOCD Office by **July 6, 2015** (14 weeks prior to the week of the meeting).
- The following materials are required to be submitted to AOCD by **September 4, 2015** (six weeks prior to first day of meeting). Receipt of these items six weeks prior to meeting allows ample time for evaluation, review, and approval by CME accredited bodies. If presentation materials as defined by AOCD are not received by deadline announced date, the program will not be allowed to present, and the residents will not have the current training year deemed complete by the AOCD EEC.
  - Disclosure Statement
  - Program Director’s Statement
  - Completed Powerpoint Presentation
  - Any revisions to the Powerpoint must be received by the AOCD Office by **October 2, 2015** (two weeks prior to first day of meeting).

The presentation and Powerpoint formatting guidelines are as follows:

1. AOCD computers and equipment will be used to project the presentation. Personal computers are not allowed.
2. Presentations must be formatted as Microsoft Powerpoint files [2007 or above].
3. The presentation will be shown at the speaker’s podium on a monitor and you will advance and reverse motion using a handheld presenter.
4. The lecture will be shown live in presentation mode. Please note you will not be able to see your Powerpoint notes or the computer clock from this view format. You **ARE** permitted to use handheld notes, such as index cards, etc.
5. Presenters may use either a podium microphone or clip-on microphone.

Annual Reports

It will soon be time for Annual Reports to be turned in. **All forms can be downloaded from our website here.**

It is important for everyone to remember that handwritten reports and older versions of the report forms will no longer be accepted. If old versions of the reports or handwritten reports are received, they will be returned to the resident to resubmit in the approved format.

The Resident’s Annual Report due to the AOCD office 30 days after the end of each training year. Residents are encouraged to keep a copy of the report for their records.

One original copy of the report should be sent. The signature page must be signed by the Resident, Program Director, and Director of Medical Education (DME). It is an affirmation of complete and accurate reports. Once the reports are received by the AOCD, we will upload them to FileWorks, which is our online storage system. The Education Evaluating Committee (EEC) members will then be able to view each report as they are uploaded at their convenience, allowing them more time for review. Incomplete reports will not be uploaded. Please do not fax your reports, as these will not be accepted.

All reports submitted late are subject to a late fee penalty and will not be reviewed by the EEC until the fee is paid. The late fee schedule is as follows:

- **$100 for all reports submitted 30 to 365 days past deadline**
- **$250 for all reports submitted 365 to 730 days past deadline**
- **$500 for all reports submitted 731 days past deadline**

Late documents will delay the approval of each year of training by the EEC and the AOA’s Postdoctoral Training Review Committee. Board eligibility is granted only upon approval by both committees.

Please do not staple the forms, bind them, or use color paper. Please print single-sided only. Review your report before submitting it to ensure that it is complete. Finally, report packets should be sent to the locations specified below.

If using the U.S. Post Office, please continue to send your reports to:
American Osteopathic College of Dermatology
P.O. Box 7525
Kirksville, MO 63501

If using any other parcel service, such as FedEx or UPS, please use the following address:
American Osteopathic College of Dermatology
2902 N. Baltimore Street
Kirkville, MO 63501

Incoming Residents for 2015-2016

I have a few additions to our incoming resident lineup for 2015-2016. Jessica Newburger, D.O., will be the first resident at the new CEME/Park Avenue Dermatology program under the direction of Karthik Krishnamurthy, D.O., FAOCD. Sarah Belden, D.O., will join Affiliated Dermatology under the direction of Jason Barr, D.O., FAOCD. With the addition of these two residents, the incoming class of residents grows to 52, bringing the total number of residents in our programs to 149.
We are now accepting manuscripts for publication in the upcoming issue of the *JAOCD*. ‘Information for Authors’ is available on our website at www.aocd.org/jaocd. Any questions may be addressed to the editor at journalaocd@gmail.com. Member and resident member contributions are welcome. Keep in mind, the key to having a successful journal to represent our College is in the hands of each and every member and resident member of our College. Let’s make it great!

- Karthik Krishnamurthy, D.O., FAOCD, Editor
