

# APRA European Remanufacturing Symposium 2016 NEC\* Birmingham, UK

\*National Exhibition Centre

**20.04.2016**  
**Wednesday**

08:00 - 12:30 pm - **Plant visit - ATP Group**, incl. bus transfer from NEC

13:00 - 14:00 pm - Lunch

14:30 - 15:00 pm - **Commercial Symposium**: Official welcome - APRA Europe Chairman - Peter Bartel, Germany

The Home of Remanufacturing

Markus Frömgen, BBE/ Germany

15:00 - 15:30 pm - Exploiting the Remanufacturing Business: Discover, identify and realize potentials by using specific market data and analytics

Nicholas Chauvière, CEVAM/ France

15:30 - 16:00 pm - Current and future trends in rotating electrics

Niels Klarenbeek, RAI Amsterdam/ The Netherlands

16:00 - 16:30 pm - Secrets of successful exhibition planning -RAI Amsterdam 16:30 -

17:00 pm - Coffee break

Peter Bartel, Germany

17:00 - 17:30 pm - Possibilities to activate core surcharge or core in accounting - Circular Economy Solutions GmbH

17:30 pm - End of Commercial Symposium

18:45 pm - Pick up at Hilton Metropole Hotel NEC for **COREparty** in the Birmingham City Centre

**21.04.2016**

**Thursday**

09:30 - 11:45 am - 3-part Panel Discussion

Topic: EU Government Funding

Topic: G7 and Venture Capital

Topic: Future threats and opportunities for automotive remanufacturers

11:45 - 12:45 pm - Lunch

## Science & Reserch Symposium

Dr. Winifred Ijomah, University of Strathclyde/ Scotland

13:00 - 13:30 pm - Fusing academic and industry expertise to enhance capacity and innovation in remanufacture

Erik Sundin, University of Linköping/ Sweden

13:30 - 14:00 pm - Benefits and challenges with remanufacturing business models. Case studies from the Horizon2020 project called ERN (European Remanufacturing Network)

Steffen Butzer, ERN/ Germany

14:00 - 14:30 pm - Analyzing and improving your remanufacturing technologies and processes, successful methods and case studies from Bayreuth's Remanufacturing Consulting Services - ERN

15:00 - 15:30 pm - Coffee break

Dr. Johannes Graf Ballestrem/ Germany

15:30 - 16:00 pm - Remanufacturing vs. Trademarks, Patents and Product Liability 16:00 pm - end of University

Symposium

19:30 pm - Welcome reception Gala Dinner

Amanda Milling (Member of Parliament)

20:00 pm - Gala Dinner with key-note speaker (Amanda Milling) and special entertainment, celebrating **75 years APRA & 25 years APRA Symposium!**

Big surprise during the Gala Dinner... **ATP** has won the prestigious **Queens Award for Innovation** - handed over by an envoy of the Queen of England!

22.05.2014

Friday

## Technical Symposium

Luis Mari Alvarez & Jorge Bobadilla, Lizarte/ Spain

09:30 - 10:00 am - Technological evolution of steering racks

Grzegorz Pawlowski & Marcin Zieba, Borg Automotive/ DENMARK

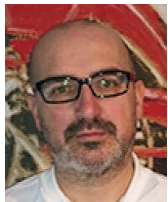

10:00 - 10:30 am - How to master product development in remanufacturing today and in the future? Research and Development at Borg Automotive.

10:30 - 11:00 am - Coffee break

Dr. Salvador Muñoz Zarate, WABCO Reman Solutions/ Poland

11:00 - 11:30 am - Specific concepts for quality management in the remanufacturing industry -WABCO Reman Solutions.

Marco Capasso, Bosch Group - Bosch Automotive Aftermarket/ Germany

11:30 - 12:00 am - Remanufacturing of Diesel Injection Systems at Bosch Group

12:00 - 13:00 pm - Lunch

13:00 - 17:00 pm - Plant visit at Carwood (Diesel Systems), Birmingham, incl. bus transfer from NEC

18:00 pm - Arrival time Birmingham International Airport/ NEC

-----  
Fernand Weiland - launched his new book "Make new again":
