

APRA is proud to announce that we have partnered with DLS Worldwide to bring you discounted rates on domestic and international shipping.

Based in Chicago, DLS Worldwide handles both domestic and international shipments and specializes in moving remanufactured equipment and replacement parts throughout the lower forty eight states and to and from the Canadian provinces.

www.bensound.com

Their proprietary logistics platform provides instant online access to the industry's best rates from over 75 qualified carriers with national range and reach. They have also negotiated some impressive carrier concessions for APRA members.

- ✓ They specialize in moving remanufactured parts and equipment.
- ✓ They offer \$10 lift gate and limited access fees through R&L Carriers
- ✓ They have procured special pricing through a variety of carriers for core exchange
- ✓ They have reduced tariffs for extreme length, oversized and double skid shipments.
- ✓ They provide a zero-deductible, full-coverage insurance option for remanufactured parts and equipment.
