Community Impact Challenge

FAQs:

1. Do I have to be an APTA North Carolina member to be eligible to win? No
2. Can more than 1 proposal come from the same PT or PTA program? Yes
3. Can the activity/project relate to an already existing community program? Yes, but remember that innovation is considered during scoring (Reference the Community Impact Challenge Grading Rubric)
4. Who will determine a winner? The Application Review Team will consist of 1 APTA North Carolina Board Member, 1 APTA North Carolina DEI Committee Member, and 1 Community/Non-Profit Leader. To reduce bias during the review process, the individuals on the Application Review Team will not have a formal role/affiliation with a PT/PTA program.
5. Is there a specific format for the budget component of the application? No, but a successful proposal will thoroughly address each anticipated cost/expenditure with a clear justification and include an itemized budget to support projected expenditures.
6. When can the winning program expect to receive the financial award? Winning programs will be announced in March and funds will be dispersed in April 2023
