- Look at the **light blue toolbar** at the top of the page. If you see **Sign Out** you are logged in.
- If you see **Sign In**, you must sign into the website before registering for the conference, **so you will receive the member rate.**
- Your **Username** is your APTA membership.
- If you have forgotten your password, you can reset it using the “**Forgot Your Password**” link on the website or email [conference.aptanc@gmail.com](mailto:conference.aptanc@gmail.com) for assistance.
- 
- When you register, the system will check your **membership status** and **member type (PT, PTA, or Student)**. If that information is correct the appropriate registration fee will display, and you can register.
