

Anthony Falco, PT, DPT, OCS, CSCS

Candidate for Delegate

My name is Anthony Falco and I am excited to have the opportunity to be elected as a delegate for New Jersey. I am currently serving as a delegate for the first time and I am looking forward to attending my first House of Delegates this June. Over this past year I have been learning a lot about the legislative process of the APTA as well as talking about various issues with APTANJ members around our state.

I have been a member of APTANJ since 2013 and actively involved in leadership since 2015 as Vice-Chair of the Northern District. My involvement and leadership have given me the chance to talk and interact with a wide variety of clinicians in New Jersey. As I wish to continue in the role of a delegate, I also plan to continue with leadership roles within the APTANJ. By being an engaged leader within the APTANJ I believe this allows me to better serve as a delegate. My involvement and leadership allow me to learn about different clinical settings and regional issues around our state that can allow me to be a more effective delegate and represent New Jersey.

I am passionate about our profession of physical therapy and what the future holds for our role within the healthcare system. I hope to channel that passion to the role of Delegate to help shape the future direction of the APTA. Thank you for your consideration for the position of delegate.
