Candidate for Nominating Committee – Northern District

My name is Anthony Falco and I am looking forward to having the opportunity to serve as the Northern District Nominating Committee member. I currently serve in the role of Delegate and Vice-Chair of the Northern District. I have been an APTANJ member since 2013 and actively involved in leadership since 2015. I currently live in Madison, NJ and work at a private practice in Wayne, NJ.

This past year I had the opportunity to take the APTA Health Policy and Administration Section's LAMP leadership course. This course taught me a lot about myself as a leader and inspired me to push my leadership within the APTANJ. As the Northern District Nominating Committee member I want to utilize my leadership abilities to help engage other leaders within our organization. I truly believe that we are stronger together and the APTANJ is stronger when we are engaging our membership and challenging each other to be involved.

Thank you for your consideration to serve as your Northern District Nominating Committee member. I will bring my passion and energy to the position to advance the mission of APTANJ and improve our association and profession to the best of my ability.
