Candidate for Chief Delegate

My name is Megan Gardner and I am honored for the opportunity to run for re-election to the office of Chief Delegate for the NJ Chapter of the APTA.

I have been proud to be part of the NJ delegation for five years, with one year of the current Chief Delegate term. The House of Delegates and its year-round governance process is thought-provoking, stimulating, and enlightening and I have very much enjoyed my time as delegate and Chief Delegate. In the Chief Delegate role, I have been proud to step up to be part of the steering process for our state chapter – both at the state level and the national level.

As Chief Delegate, I have truly enjoyed the additional responsibilities, meetings, and the opportunity to advocate for future of our profession both at the state and national level. I have striven to be an effective and efficient Chief Delegate to the state and have enjoyed the ability to expand my skills professionally while creating new relationships with others throughout the state and country. Since stepping into the role, I have continued to appreciate the value of listening and communicating, the importance of working with others and the importance of the people that serve our profession.

The NJ delegation is made of excellent professionals who give of their time and energy to help move our profession forward and it has been my privilege to be a part of it for the last five years. I am humbly requesting your vote to allow me to continue this journey and lead the delegation for a second term.
