Candidate for Nominating Committee - Southern District

I was elected to represent the Southern District on the Nominating Committee almost 2 years ago. I have learned a lot about what it takes to run an organization that is mostly staffed by volunteers. I enjoy attending district and state meetings as the programming has helped advance my skills as a PT. I especially enjoy talking to others about our field and where we are going in the future.

I have been a Physical Therapist for 24 years and I have worked in Acute Care, Home Care, Academia and I have been a Private Practice owner. I am proud to be a member of APTANJ as I feel it is a strong state chapter that is an excellent advocate for the physical therapy profession. I look forward to the opportunity of serving another 2 years on the Nominating Committee in order to provide the very best candidates for APTANJ open positions. Thank you for your consideration.
